CME on “Pharmacovigilance Perspective in the Indian Context”

Date: 16.05.2022

Venue: Online Meeting

Total No. of Participants: 133

Total No. of Resource Persons: 07

Organized By: Department of Pharmacology

Event Report:

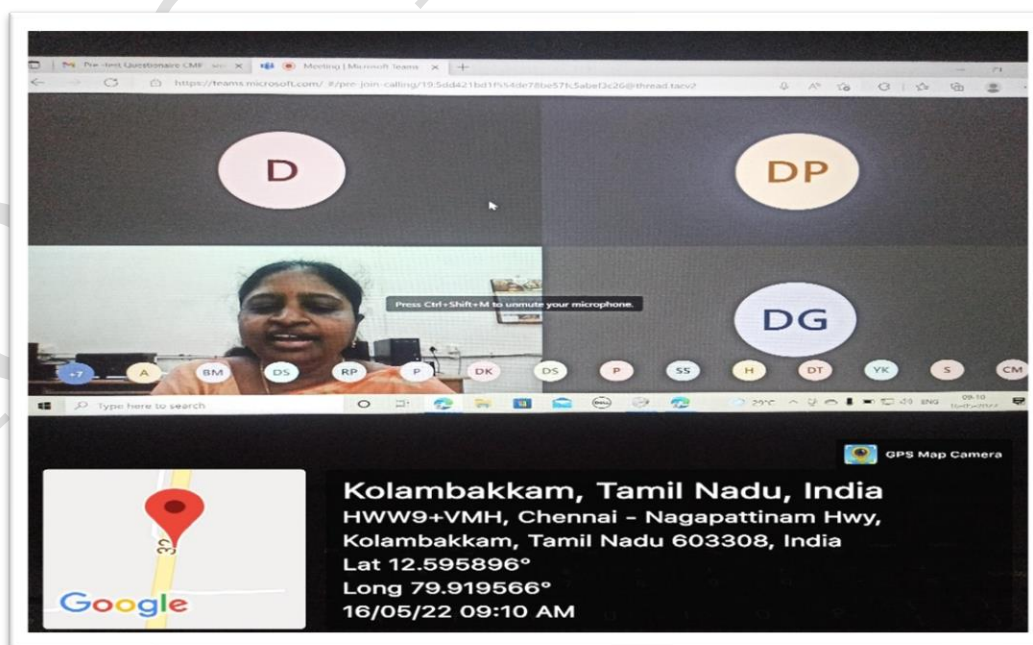

Department of pharmacology conducted online CME Pharmacovigilance Perspective in Indian Context on **16th May 2022**. The program was inaugurated by Dr. R Annamalai, Trustee, KIMS & RC. Key note address was given by Principal, KIMS & RC, Dr. Sufala Sunil Vishwasrao. Additionally, she shared her thoughts on pharmacovigilance. Welcome address was delivered by Dr M Pushpam, HOD; Department of Pharmacology; KIMS & RC.

First speaker was Dr Aruna Balasubramanian who has given our participants a clear understanding of Pharmacovigilance in the Indian context and motivated everyone to participate in PVPI. Second speaker-Dr K M Sudha shared an excellent session on Role of Health Care Provider in ADR Reporting. Third speaker was Dr Melvin George who shared his experience and knowledge about pharmacovigilance and its importance in clinical trials. His session was very interesting and informative. Dr Suparna Chatterjee, shared valuable information, on a topic- Signal detection. All participants have benefited from her informative session which was reflected in feedback.

Afternoon session was taken on “How to report ADR” by Dr Sunil M Vishwasrao Associate Professor Department of Pharmacology and Dr Sanu Sain Assistant Professor Department of Pharmacology took a section on “Casualty assessment”.

The CME was a great success with very informative sessions and active participation of delegates.

Overview Of Pharmacovigilance by - Dr.Aruna Balasubramanian
