

## World patient Safety Day-22

**Date:** 17.09.2022

**Venue:** CME Hall, KIMS &RC

**Total number of participants:** 108

**Total number of Resource Person:** 02

**Organized by:** Department of Pharmacology

**Objective:** To aware the students about medication error and realize importance of patient safety

### **Event report**

Department of Pharmacology celebrated Patient safety day on 17.09.22. The theme for the day was "Medication Safety." The program commenced with lamp lightening followed by Thamizh Thai Vaazhthu. Welcome address was delivered by Dr M Pushpam, Professor and Head, Pharmacology.

It was followed by script presentation by staff nurses on patient safety. All the participants thoroughly enjoyed the script. Dr B Prathap spoke on Medication Errors and made aware the student that medication errors also can be life threatening. Program ended with vote of thanks.
