E. CO-ORDINATOR'S OBSERVATIONS, COMMENTS & SUGGESTIONS :

The Medical Education Unit of KarpagaVinayaga Institute of Medical Sciences & Research Centre, Madhuranthagam, Chengalpattu District, Tamil Nadu (KIMS&RC) organized its forth Revised Basic Course workshop (RBCW) in Medical Education Technologies and AETCOM (Attitude, Ethics and Communication) from 19th to 21st April 2022, a 3 day program under the aegis of the Nodal Centre for Faculty Development, CMC Vellore. Dr. Punitha.P from Meenakshi Medical College and Research Institute, Kanchipuram was the NMC Observer for the RBCW workshop. A total of 27 faculty members were registered from KIMS&RC out of which 25 participants attended the workshop. Dr. Murali Krishna Bharathi.K and Dr. Prashanthi .R could not attend in view of personal reasons. All COVID 19 precautionary norms were fully observed by all the faculties.

This three-day Revised Basic Course workshop was scheduled as per the format of the National Medical Commission of India. All the sessions were very informative and interactive with active participation from everyone in the many group exercises, tasks, videos and roleplays.

It was highly appreciated by the participants and the NMC Observer a like. A pre-test and post-test was administered to all the participants and the test scores were analysed. Feedback of all the sessions were taken from the participants on all three days and was evaluated. Power point presentations and other resource materials were shared with the participants. Few of the participants also shared their experiences of this three day workshop and provided feedback. The feedback from the participants were discussed and reviewed by the MEU resource faculty. The Group activities which were prepared by the participants were sent to the MEU mail.

Feedback from the participants were as follows:

Day 1

1. Ice breaking sessions helped us to know each other better.
2. Writing objectives sessions was excellent.

Day 2

1. Interactive and innovative teaching methods educated us about various TL methods.
2. Writing a lesson plan provided a template for writing a plan.
3. Assessment planning session was very good and interactive.

Day 3

1. Matching assessment to competency, objectives workshop was well appreciated.
2. Providing feedback to the students session was also good.
