

Consolidated report on exam related grievances:

As the University Examination assessment undergoes 2-tier evaluation, so students can only view the answer books, by requesting the Controller of Examination of the university through proper channel. The proforma for the request is available on the university website, which is to be downloaded and filled by the candidate, attested by the principal. The attested proforma can be sent to the university (with nominal charges to be paid through NEFT) either through the student in person or through the institute.

Last year, no one requested to view their answer sheets of summative exam.

Internal assessment exam grievances are NIL.
