An aerial, high-angle view of a city street at night, heavily drenched in rain. The scene is illuminated by vibrant neon lights in shades of red, orange, and yellow, which reflect off the wet pavement and create a hazy, atmospheric glow. The street is lined with buildings, some of which have visible signs, including one that reads "DOG TOWN". A car is visible on the left side of the street, its lights reflecting on the wet surface. The overall mood is cinematic and urban.
