

Details of the alumni association activities

KIMS & RC has Alumni association where the undergraduates and postgraduate students graduated from our institute can join and be a part of one of the stakeholders to support the growth of the institution. Office of the association is located in the campus auditorium building. Alumni association was established in the year 2015 and registered at sub register office (Reg. no SRG Chengalpattu/42/2019) in the year 2019.

The Association was formulated with the administrative staff and the alumni of the Karpaga Vinayaga Institute of Medical Sciences and Research Centre. The alumni play a major role in guiding the students to further pursue higher studies or to continue their career as doctors in society.

Objectives

1. Empowering rural health and aiding medical education
2. Appreciation and felicitation of alumni who are serving in the rural area
3. Promote health awareness program
4. To promote CME/ conferences on recent advances
5. Promote and support disease prevention campaign
6. To create a suitable environment to identify and support budding talents in sports
7. To motivate and encourage the outgoing students for further higher studies or career
8. To contribute to the Institution in terms of finance, books and other supporting materials to the students pursuing their studies at KIMS & RC

Some of the activities planned by Alumni association during the year 2020-21 are:

1. Supporting camp activities by providing healthcare support from nearby alumni members
2. Sensitizing undergraduates about the NEET postgraduate exam and sharing their experiences

Empowering rural health and aiding medical education: Alumni help in organizing camp in nearby villages and visit in nearby industry.

Promoting and supporting disease prevention campaign

Alumni Dr. Nivetha discussing about common problems in adolescents in school girls
