Webinar on Sensitization on intellectual property right

Date: 9.02.2022

Venue: Virtual platform-Zoom

Total number of participants: 140

Organized by: IQAC

Total number of resource persons: 02

IQAC organized webinar on intellectual property rights in collaboration with Technology Transfer and intellectual services (TIPS). The seminar highlighted following points.

Why your ideas need to be protected

Overview and types of IPR

Introduction and patentability criteria and what cannot be patented

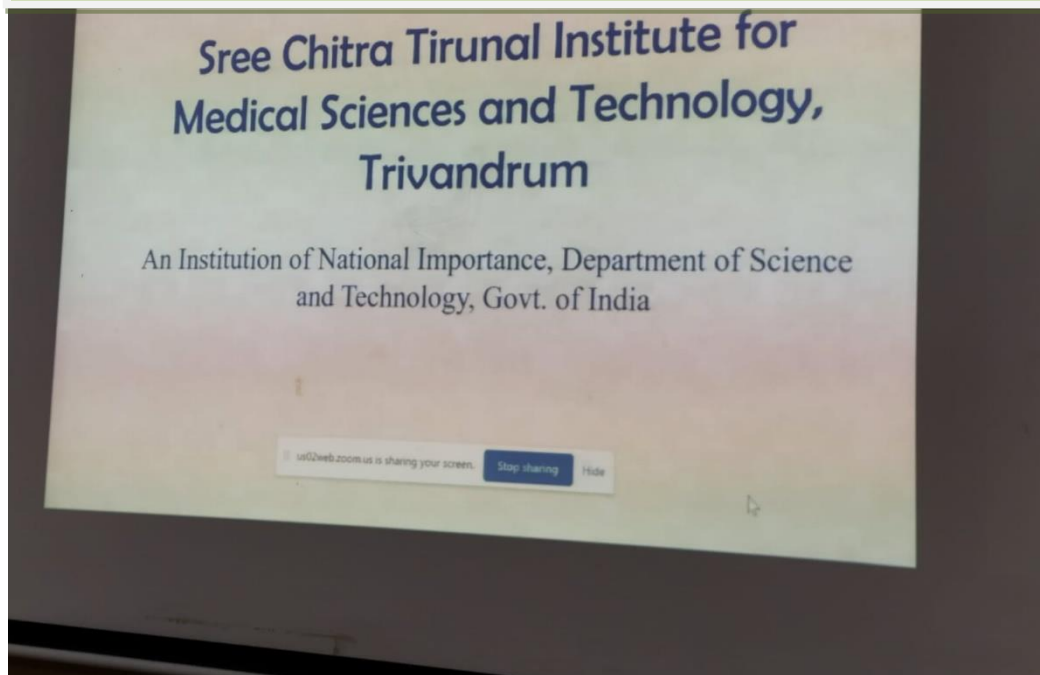

Importance of patent search

Who can file and how Ip can be protected?

Roles of TIPS in protecting IP

The session was online and its live relay was done in CME hall for the undergraduate students and faculties who found technical difficulties in joining the session.

Online session on IPR was planned by Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum
