

CAPABILITY ENHANCEMENT AND DEVELOPMENT SCHEMES

Personal Counselling:

Personal counselling helps individuals to better understand the specific concern they are experiencing, identify their strengths and to determine the directions they need to take in order to address the concern. Personal counselling also facilitates greater understanding of difficult emotions, relationships and increased ability to manage and overcome these challenges. We have mentor-ship program, through which students are counselled regularly at primary level. In – house faculty from the Department of Psychiatry counsel the students, when and where needed.

Language and Communication.

Language is a medium of communication that helps us expressing and conveying our thoughts, feelings, and emotions of two individuals. Moreover, Language depends on verbal or non-verbal codes. In other words, Language is considered the prime tool of communication.

KIMS & RC plays a vital role in overall development of the students during the stay in the campus. Students from outside State are given small sessions on basics of Tamil language, which helps them during history taking and clinical examination of the patient. Similarly, students coming from Tamil Medium school are given English fluency coaching to improve their academic performance, especially in viva and practical examinations.

Session on Tamil Language

Leadership skills:

Leadership is the ability of an individual or a group of individuals to influence and guide followers or other members of an organization.

To bring up an Indian Medical Graduate, where leadership is one of the essential attributes is well taken care by KIMS & RC. Institute conducts small sessions on leadership skills, with the experts, alumni or faculty.

Alumni Mr Jeyasurya delivering speech on importance of leadership

Employability skills and enhancement

Employability enhancement programs are crafted in order to bridge the gap between skills possessed by the employees and the abilities that are looked for by the organization. Assisting the candidates to enhance and in still certain skill-set among themselves to attain proper employment on the basis of their abilities and potential is the main aim of this program.
