இந்த விளையாட்டு மற்றும் பண்பாட்டுக்கலை விழா சிறப்பாக நடைபெறவும் இதில் பங்கேற்கும் அனைத்து மாணவர்களுக்கும் என் மனமார்ந்த வாழ்த்துகளை அன்புடன் தெரிவித்துக்கொள்கிறேன்.

It is indeed exciting to hear that Affinity 2k22, the customary annual feature of Karpaga Vinayaga is set to be held on June 30, July 1 and 2.

Benjamin Franklin said, " Tell me, and I forget, teach me, and I may remember, involve me and I learn". Affinity provides a platform for students to showcase one's unique talents and helps in the holistic development of the personality of the students, providing a break from the monotonous routine of evaluation and academics.

My best wishes to the 2018 batch of MBBS Final year students, the Zehnolantz for organizing the event. It is not an easy task to pull to meticulously arrange a 3 day academic and extracurricular event amassing thousands of Medical students from all over the state. I wish the event all success.

Affinity 2k22, the most awaited and magnificent gala of Karpaga Vinayaga Institute of Medical Sciences and Research Centre, is right around the corner and I am thrilled to hear that this year it is being conducted with much pomp and show by the 2018 batch of MBBS, The Zehnolantz.

Affinity is a tradition of the Karpaga Vinayaga family where each year multitude of students across Tamil Nadu gather to not only showcase their talents, but form lifelong memories and learnings to cherish. It serves as a platform for young budding doctors to come together in the spirit of competition and good will.

It is said that we rise by lifting others. By means of this glorious event, a small yet commendable effort to educate poor children has been taken by Zehnolantz and the institution as they have decided to contribute 3-5% of the proceedings for this noble cause.

My hearty wishes to the 2018 MBBS batch for conducting Affinity 2k22 and I'm positive that the event will turn out to be a tremendous success.
