Policy Document for Resource Mobilization

The institution has a clear-cut policy of resource mobilization. The attempt has been to club efficiency, viability and social equity. Our policy for resource mobilization is based on the time-tested principles of sufficiency, equity and social justice.

Objectives

1. To frame a viable fee-structure that would be commensurate with the quality envisaged and affordability by the target population
2. To explore prospects of receiving grants from funding agencies both public and private sector
3. To inspire the alumni to donate funds

Implementation

1. Tuition fees is collected on specific dates and remitted to the bank account
2. Proposals for funding assistance are duly examined, pruned and submitted to agencies like UGC, DST etc.,
3. Endowments by alumni are encouraged and administered with great care
4. Voluntary contributions in cash and kind are accepted, accounted for and properly utilized
5. Governmental grants for scholarships are duly tapped
6. Great care is taken to ensure the acquisition proper use and servicing of all infrastructure.
7. All bills are paid in time
8. Regular auditing of auditing of the fund inflow is done.

Outcome

1. Students joined through government quota have received scholarships from the governmental agencies.
2. There is established and well-maintained infrastructure.
3. Most of the students pay fees in time.
