**Organized by :** Students council ,KIMS &RC

**Venue:** Auditorium Corridor

**Total number of participants:** 250

#### **Event report:**

The Diwali celebration at Karpaga Vinayaga Institute of Medical Sciences and Research Centre” aptly named "Illuminance," was a resplendent affair that brought together the vibrant spirit of the festival and the academic community's unity. The event, conducted by student council of KIMS & RC illuminated the campus with joy, cultural richness, and a sense of togetherness.

The festivities commenced with a traditional lamp-lighting ceremony, symbolizing the triumph of light over darkness. This was followed by various cultural performances showcasing the diverse talents of the medical students. Dance performances, skits, and musical renditions added a touch of artistic flair to the celebration.

The college premises were adorned with colorful rangoli, adding a visual treat to the surroundings. Traditional Diwali sweets and snacks were served, fostering a sense of communal sharing and camaraderie among the attendees. The aroma of incense and the twinkling lights further enhanced the festive ambiance.

To promote environmental consciousness, the organizing committee ensured the use of eco-friendly decorations and discouraged the use of firecrackers, aligning the celebration with the principles of a green Diwali.

The event concluded with a collective pledge to carry forward the spirit of Diwali – spreading joy, knowledge, and light – within the academic community and beyond. "Illuminance" left an indelible mark, not only as a celebration of Diwali but as a testament to the unity and cultural richness thriving within Karpaga Vinayaga Institute of Medical Sciences and Research Centre.
