KIMSCOMCON 2024

Date: 2nd & 3rd Feb 2024

Venue: CME Hall

Total No. of Participants: 555

Total No. of Resource Persons: 05

Organized by: Department of Community Medicine, KIMS & RC

Event report:

KIMSCOMCON 2024 with the theme “**HEALTH FOR FUTURE: INTEGRATED STRATEGIES AND INFORMED DECISION MAKING**” organized by Department of Community Medicine from 1st Feb till 3rd Feb 2024.

Pre conference workshop was on **EPICOLLECT 5** helped in mastering the art of quality data capture and making informed decisions. **SHIPWRECK** was an opportunity for the post graduate student to express their planning and management skills. **KIMSCOMCON 2024** also provided a platform for oral & poster presentations. The Quiz and Photography competitions for the undergraduates offered alternate ways of learning the subject.

Brochure

The brochure is a vertical rectangular poster with a light blue background and colorful circular accents. At the top left, it features the logos of Karpaga Vinayaga Educational Group and Karpaga Vinayaga Institute of Medical Sciences. The main title 'KIMSCOMCON 2024' is prominently displayed in the center, with a circular graphic below it containing the theme 'Health for Future: Integrated Strategies and Informed Decision Making'. Below the title, the date '2ND & 3RD FEB 2024' and the venue 'KARPAGA VINAYAGA INSTITUTE OF MEDICAL SCIENCES AND RESEARCH CENTRE, MADHURANTHAKAM, CHENGALPATTU DISTRICT' are listed in rounded rectangular boxes. At the bottom, it states 'Hosted by DEPARTMENT OF COMMUNITY MEDICINE'. On the right side, there is a 'WELCOME TO KIMSCOMCON 2024!' section with a photograph of the institute's building.

WELCOME TO KIMSCOMCON 2024!

Dear Members and Delegates,
Greetings from the Department of Community Medicine, Karpaga Vinayaga Institute of Medical Sciences and Research Center, Chengalpattu, Tamil Nadu.

With great honour and immense pleasure, we extend our warm invite to the first Annual conference of the Department of Community Medicine, Karpaga Vinayaga Institute of Medical Sciences and Research Center, the “KIMSCOMCON 2024”, to be held on **2nd and 3rd of February 2024**.

Karpaga Vinayaga Educational Group was started in 1993 intending to develop and provide quality education. Karpaga Vinayaga Institute of Medical Sciences was established in 2009 with state-of-the-art intensive medical and surgical facilities to provide quality health care in rural areas.

KIMSCOMCON will provide a platform to share your research and insights with your peers. You can strengthen your presentation skills and get inspired with new ideas. We can help you identify experts for collaborative research and build a strong researcher network. And as always it will help you take a break from your regular work.

We look forward to meeting you in KIMSCOMCON where you can broaden your horizons and socializing skills

ABOUT US

THEME

OF THE CONFERENCE

"HEALTH FOR FUTURE: INTEGRATED STRATEGIES AND INFORMED DECISION MAKING"

In September 2015, the General Assembly of the United Nations adopted the 2030 Agenda for Sustainable Development. This includes 17 Sustainable Development Goals (SDGs), also known as Global goals. The goals build on the vital principle of "leaving no one behind", and emphasizes a holistic approach to achieving sustainable development for all.

With less than a decade to achieve the goals, we need a revisit of strategies and restructuring of health care systems. This theme was devised to emphasize the need to review and strengthen the basic tenets of primary health care, initiate and implement intersectoral and innovative strategies, to march into the future with informed decisions. The scientific sessions and the discussions will facilitate exchange and enrichment of knowledge, generation of ideas and sharing of perspectives with experts from the field.

SUB THEMES

OF THE CONFERENCE

- Communicable diseases
- Geriatric Medicine
- Immunization
- Technology and health care
- Mental health
- Lifestyle diseases
- Maternal and child health
- Health Economics
- Palliative Care
- Health system strengthening

KEYNOTE SESSIONS

- Ageing population-Challenges and Solutions
- Neglected tropical diseases
- National Immunization Program - Past, Present and Future
- Era of Digital Health
- Health Experiences from the field
- Empowering Communities for health

FOR THE POST GRADUATES

- Poster Presentation
- Oral Presentation
- Ship wreck

FOR THE UNDER GRADUATES

- Poster Presentation
- Oral Presentation
- Quiz

PRE-CONFERENCE WORKSHOP

EPICOLLECT-5

There is more for the curious minds, a Pre-conference workshop on "Mobile-based data capture with Epicollect 5" on **1st February 2024**. Design and implement your own data collection forms by the end of the day! Master the art of quality data capture for informed decisions!

POSTER/ORAL PRESENTATION

Topic - Health for Future: Integrated Strategies and Informed Decision-making

1. Deadline for abstract submission: **31st December, 2023**
2. The abstract must be based on the original research work and should not be published or presented elsewhere.
3. Abstract should not exceed **300 words**.
4. Abstracts for the posters and oral presentation may be submitted to **Email Id: kimscomcon@gmail.com**
5. Selection of the abstract and guidelines for presentation will be communicated by e-mail within seven working days after the abstract submission deadline.
6. Registration of at least one author for the conference is mandatory.
7. Certificate will be given only to the registered participants.

Instruction for oral presentation

1. Duration of oral presentation will be **10 minutes (7 minutes presentation & 3 minutes discussion)**.
2. A maximum of **10 slides** are only allowed.

Instruction for poster presentation

1. The poster presentation will be for **5 minutes (3 minutes for presentation and 2 minutes for discussion)**.
2. All posters will be set in **portrait style orientation (3 feet wide & 4 feet in length)**
3. Registration of at least one author for the conference is mandatory.
4. Certificates will be given only to the registered participants

PRE-CONFERENCE WORKSHOP

EPICOLLECT-5

There is more for the curious minds, a Pre-conference workshop on “Mobile-based data capture with Epicollect 5” on 1st February 2024. Design and implement your own data collection forms by the end of the day! Master the art of quality data capture for informed decisions!

CONFERENCE DAY 2

02.02.2024

| TIME | CONFERENCE SCHEDULE | SPEAKERS |
|--------------------|---|--|
| 8.30am - 9.00am | Registration | |
| 9.00am - 9.30 am | Inauguration | |
| 9.30am - 10.30am | Population Aging :are we prepared? | Dr.M.Logaraj Asst.Dean & Professor, Community Medicine, SRM Medical College Hospital & RC |
| 10.30am - 10.45 am | Tea Break | |
| 10.45 am -11.45am | Neglected Tropical Diseases: Leprosy scenario and programme initiatives | Dr.K.Kumareshan Assistant Director (epidemiology), CLRI |
| 11.45am - 12.45 pm | National Immunization Programme: Status,Success, Concerns and Way Forward | Dr.K. Surendhiran Surveillance Officer, WHO/UNICEF |
| 12.45pm-1.30pm | Lunch | |
| 1.30pm -2.30pm | Palliative care: A priority need with surging NCDs | Dr.Srikanth Srinivasan Additional Professor, Community Health & Family Medicine, AIIMS Jodhpur |
| 2.30pm-3.30pm | AI Powered Healthcare Transformation:Hurdles and Hope | Dr.Ramanan.R.K Physician Scientist & Medical Technology Consultant |
| 1.30 pm - 4.00 pm | Poster presentation Oral presentation - Quiz (Undergraduates) | |

CONFERENCE DAY3

03.02.2024

| TIME | CONFERENCE SCHEDULE | SPEAKERS |
|-------------------|---|--|
| 8:00am - 8.30am | Shipwreck Preliminary round (Postgraduates) | |
| 8.30am - 9.30am | Empowering Community health workers in the Digital Era- Challenges and solutions | Dr .S. Sudharshini Associate Professor, Institute of Community Medicine, Madras Medical College |
| 9.30am - 10.30am | Synergies in Healthcare:The Power of Public Private Partnerships | Dr.S.Amutha Additional Director, Medical and Rural Health Services, (at approx), DMS Complex, Tainampet |
| 10.30am -10.45am | Tea Break | |
| 10.45 am- 12.30pm | Panel discussion: Navigating the digital landscape: Tackling threats and tapping potential! | Dr. P. Saravana Kumar Professor, Community Medicine, KIMS Dr.Sharan Murali, Scientist B, ICMR NE Dr.Siva Ilango Thangaraju Professor & Head, Psychiatry, KIMS&RC Dr.Tejas J Professor, Forensic Medicine, KIMS&RC Moderator: Dr.Geetha.M Professor, Community Medicine, KIMS&RC |
| 11.45am - 12.30pm | Shipwreck final (Postgraduates) | |
| 12.30pm - 1.30pm | Antimicrobial Stewardship:For Sustaining Healthcare | Dr.A.S.Valan Public Health Specialist, International Infection Control Branch, Division of Health Care Quality Promotion(OHQPI), CDC,Delhi |
| 1.30pm -2.00pm | Lunch | |
| 2.00pm -3.00pm | Orienting Community towards Health: Experiences from the Field | Dr.M. Anitha Rani Professor, Community Medicine, SRMER |
| 3.00pm - 4.00pm | Principle of Autonomy in Medical Ethics | Dr.Karthikeyan.E Associate Professor, Community Medicine, KIMS&RC |
| 4.00pm-4.30pm | Valedictory function | |

Epicollect 5 Efficient data collection anywhere and everywhere - Dr. Tejas, Professor, Dept. of Forensic Medicine

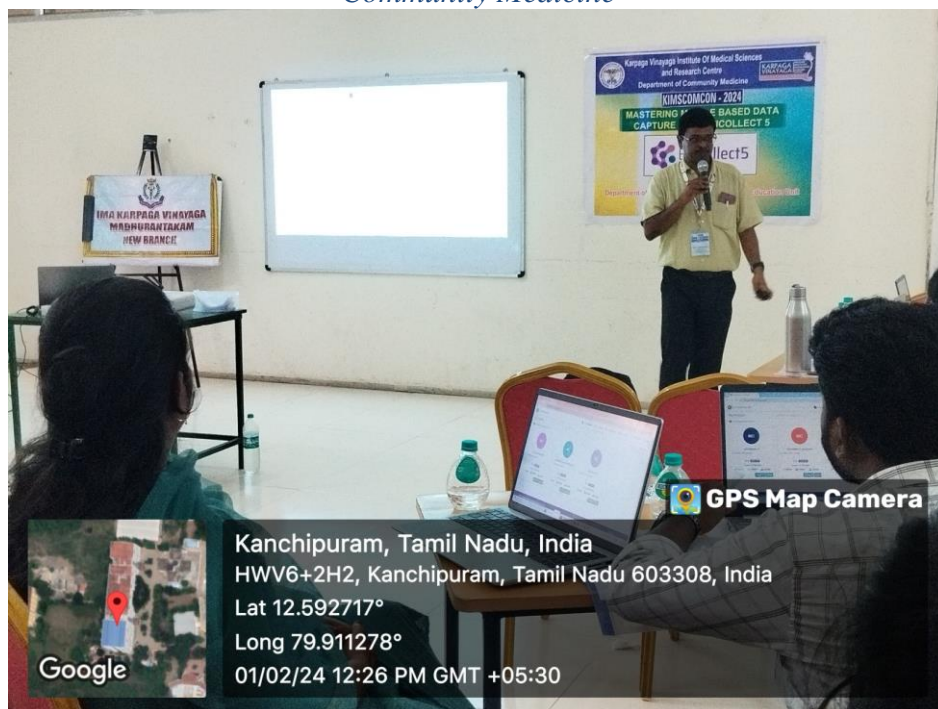

Creating and customizing data - Dr. Geetha M, Prof. Dept. of Community Medicine

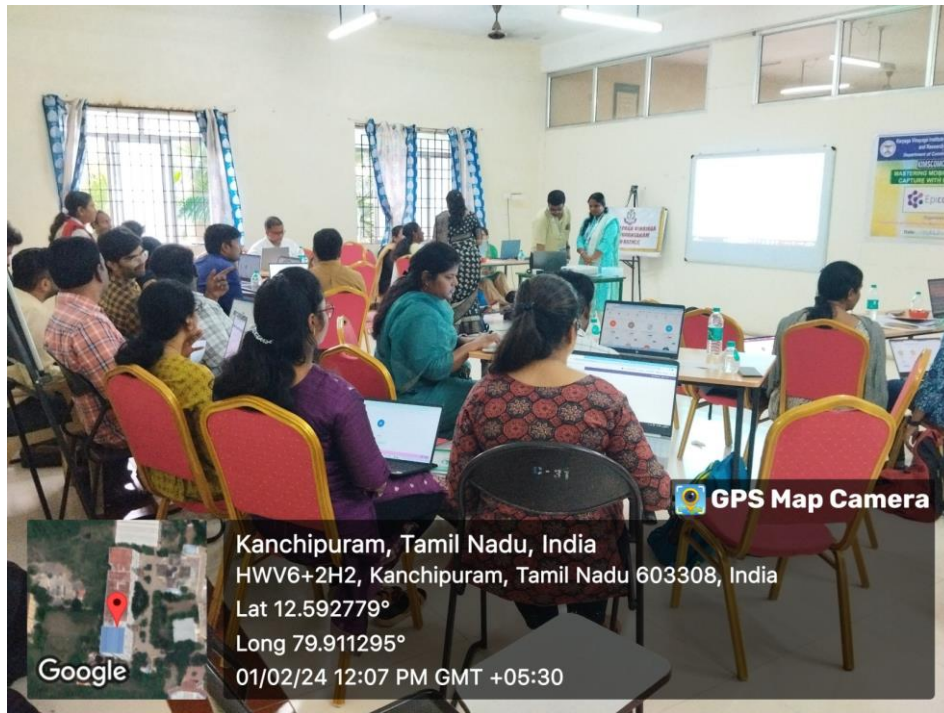

Hands on Designing data collection forms in Web portal - Dr. Geetha M, Prof. Dept. of Community Medicine

Collaborating with teams managing user roles - Dr. Prasan Norman, Professor, Dept. of Community Medicine

Hands on Exercise assigning and managing users

Data Capture on the go - Dr. Athira Satisan, Asst. Prof. Dept of Community Medicine

Hands on Exercise - Data entry in Mobile App - Dr. Athira Satisan & Dr. Dhinesh

Data Management and Visualization – Dr. Athira Satisan, Asst. Prof. Dept of Community Medicine

Hands on Exercise of importing and visualization of data

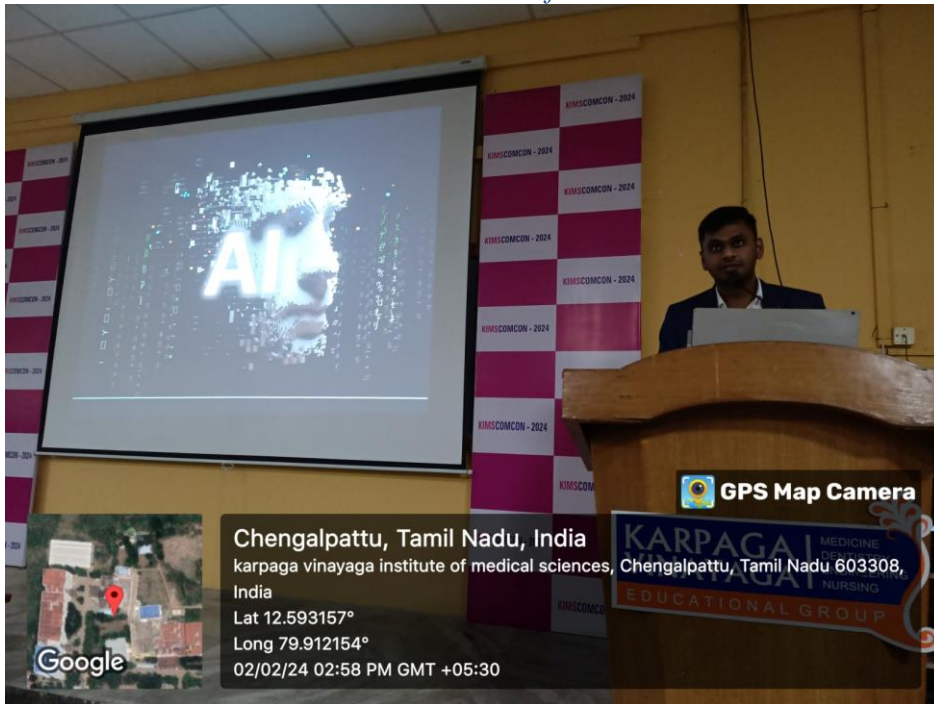

Vote of Thanks - Dr. Dhinesh Kumar S, Senior Resident, Dept. of Community Medicine

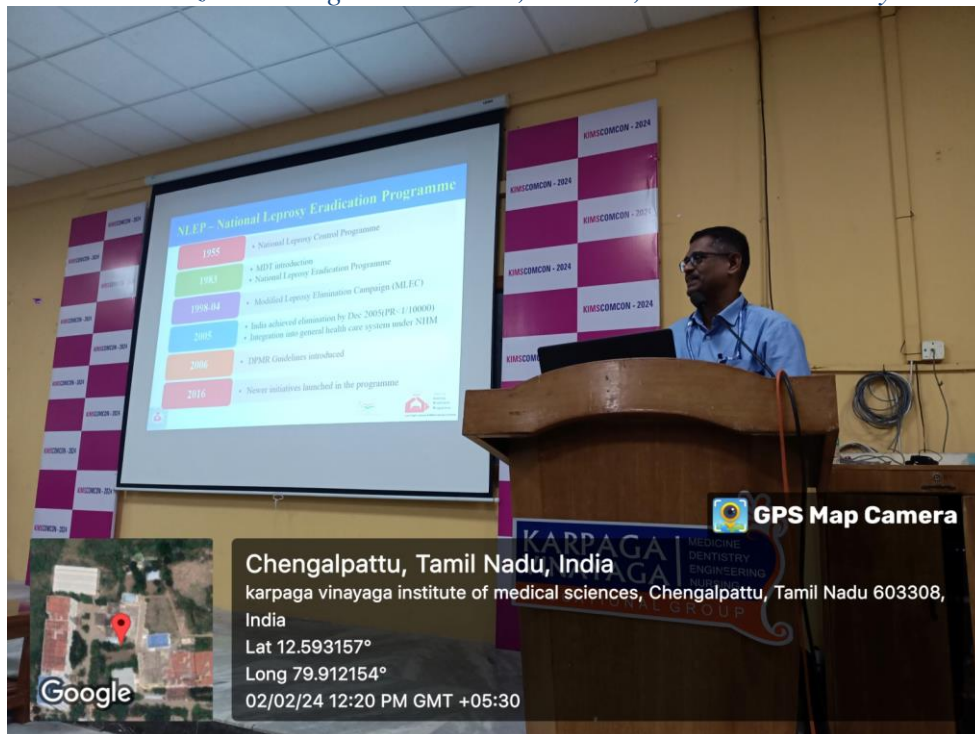

Preconference Workshop on Epicollect

AI Powered Healthcare Transformation Hurdles

National Immunization Programme Status, Success, Concerns and Way Forward

Neglected Tropical Diseases Leprosy Scenario and programme initiatives

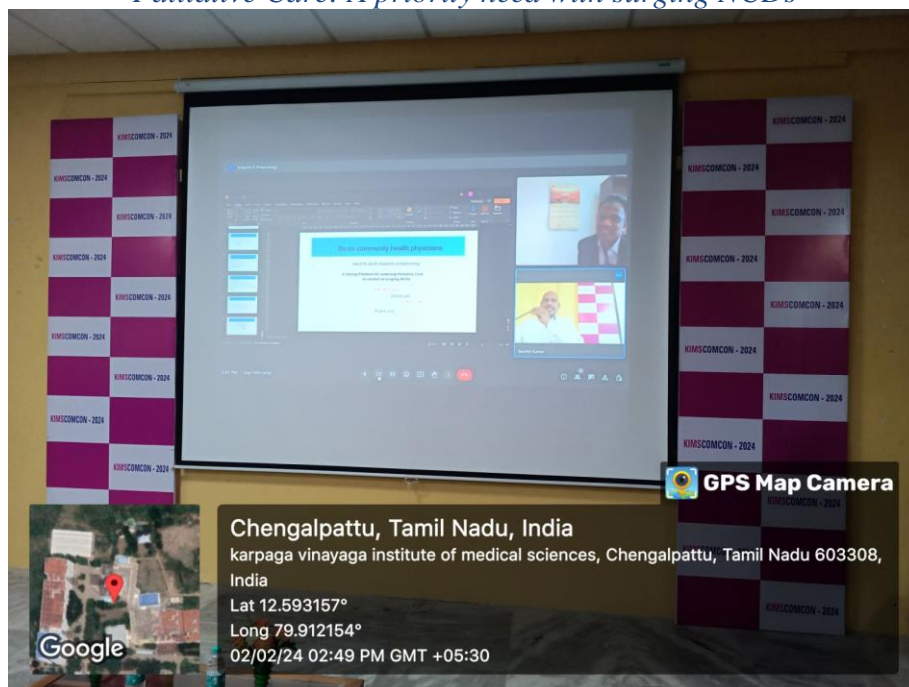

Oral presentation

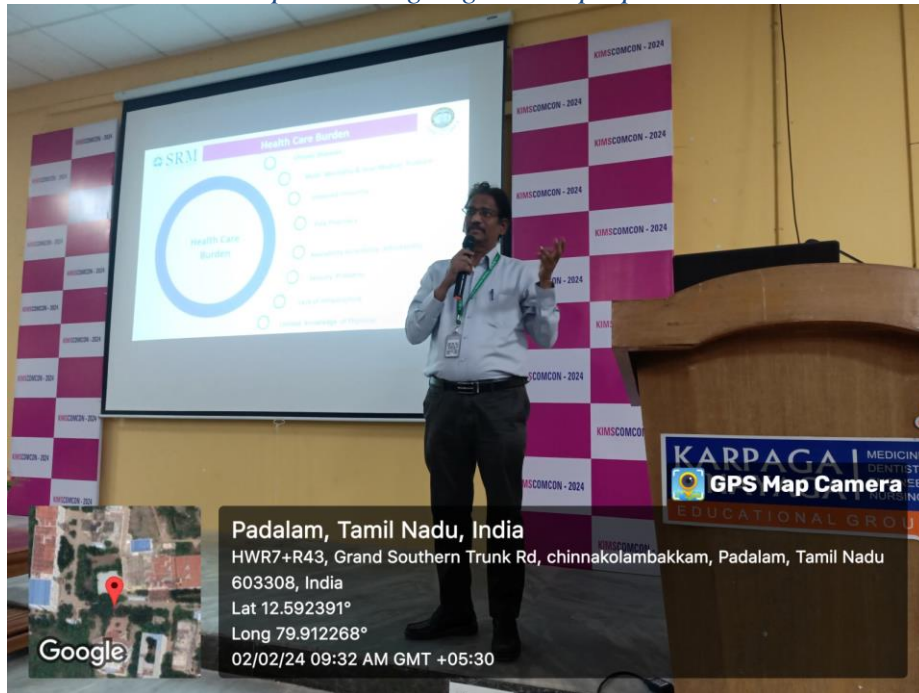

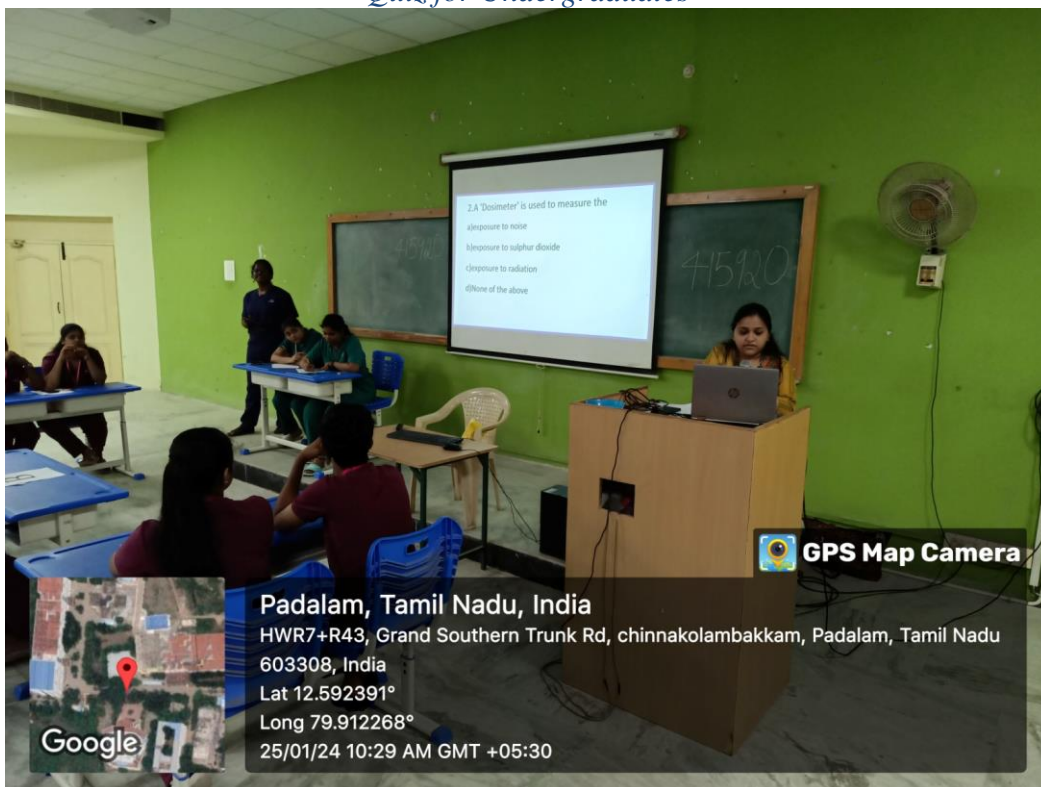

Palliative Care: A priority need with surging NCDs

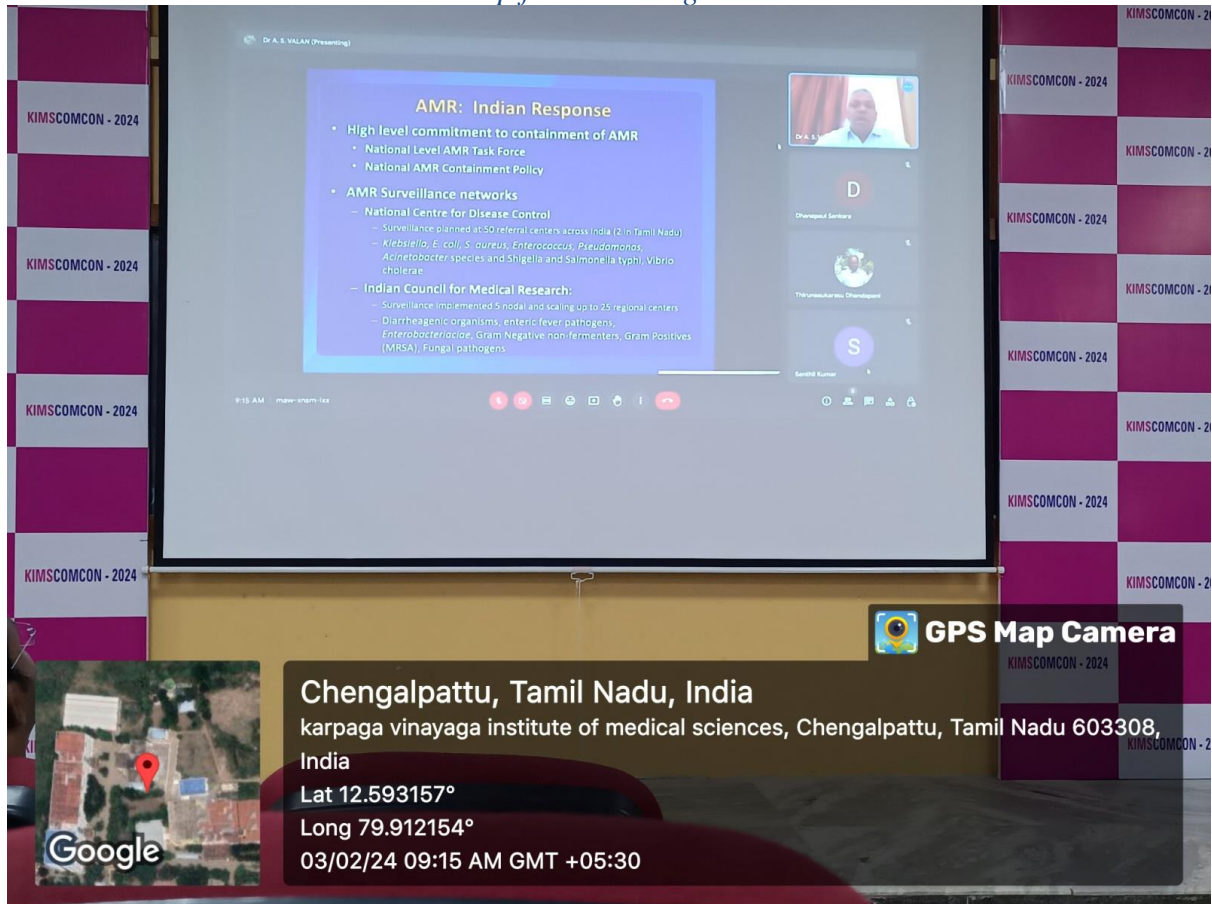

Population Ageing are we prepared

Quiz for Undergraduates

Antimicrobial Stewardship for sustaining Healthcare Dr. A.S. Valan

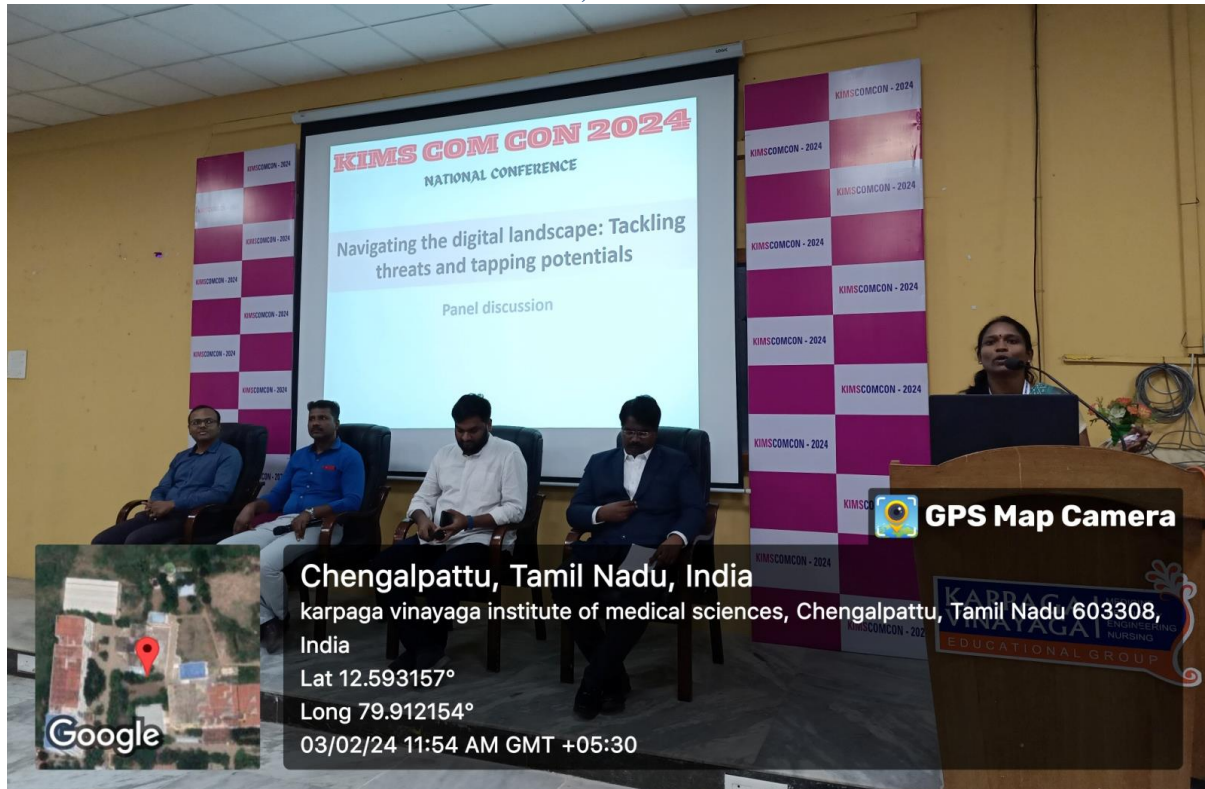

The image shows a Zoom meeting interface. The main screen displays a presentation slide titled "AMR: Indian Response" with the following content:

- High level commitment to containment of AMR
 - National Level AMR Task Force
 - National AMR Containment Policy
- AMR Surveillance networks
 - National Centre for Disease Control
 - Surveillance planned at 50 referral centers across India (2 in Tamil Nadu)
 - *Klebsiella*, *E. coli*, *S. aureus*, *Enterococcus*, *Pseudomonas*, *Acinetobacter* species and *Shigella* and *Salmonella* (typhi), *Vibrio cholerae*
 - Indian Council for Medical Research:
 - Surveillance implemented 5 nodal and scaling up to 25 regional centers
 - Diarrheagenic organisms, enteric fever pathogens, *Enterobacteriaceae*, Gram Negative non-fermenters, Gram Positives (MRSA), Fungal pathogens

The Zoom interface includes a video feed of Dr. A.S. Valan, a list of participants (Chengalpatu Saranya, Thirumalarasu, Chandrasekar, Sarath Kumar), and a "GPS Map Camera" overlay in the bottom right corner. The overlay shows a satellite map of Chengalpattu, Tamil Nadu, India, with the following coordinates and details:

Chengalpattu, Tamil Nadu, India
karpaga vinayaga institute of medical sciences, Chengalpattu, Tamil Nadu 603308, India
Lat 12.593157°
Long 79.912154°
03/02/24 09:15 AM GMT +05:30

Panel discussion Navigating the digital landscape – Dr. Geetha M, Prof. Dept. of Community Medicine, KIMS & RC

Panel discussion

Honoring the Delegate by issuing momentum and certificate

*Shipwreck for Post Graduates - Dr. Athira Satisan, Asst. Prof. Dept. of Community Medicine,
KIMS & RC*
