

2024: CELEBRATION OF SAFER INTERNET DAY

Date: 06.02.2024

Venue: KIMS CME HALL

Total No. of Participants: 150

Total No. of Resource Persons: 3

Organised By: Internal Quality Assurance Cell, KIMS & RC.

Internal Quality Assurance Cell organised the “Safer Internet Day” on 6th February 2024 at the Lecture Complex, CME Hall.

This global event aims to promote safer and more responsible use of online technology and digital devices, especially among children and young people. Safer Internet Day encourages everyone to take part in creating a better and safer online environment.

The event started with the Tamilthaai Vaazhthu and lighting of KuthuVilakku. Dr. Karthikeyan E, Associate Professor, Department of Community Medicine, KIMS & RC delivered the talk on **History, Theme** and focusing on empowering individuals to make informed and positive choices online, promoting digital well-being, and addressing issues such as cyberbullying, misinformation, and online safety. Followed by Dr. Senthil Kumar S, Postgraduate, Department of Community Medicine, who **discussed with students about internet safety, privacy, and digital literacy**.

The next session, followed by Dr. Vinoth Kumar M, Postgraduate, Department of Community Medicine, KIMS & RC, delivered the **Personal Experience**. The program ended with a vote of thanks.

Dr. Senthil Kumar S, Postgraduate, Department of Community Medicine, delivering talk on internet safety, privacy, and digital literacy
