World Water Day Celebration

Date: 22.03.2023

Venue: KIMS CME HALL

Total No. of Participants: 130

Total No. of Resource Persons: 02

Organized By: IQAC, KIMS & RC

“Water is life’s matter and matrix, mother and medium. There is no life without water”. Keeping this in mind the program was started. The students were acknowledged with the importance and necessity of water for future in an entertaining and engaging way.

Event Report:

The program happened on 22 March 2023, Wednesday, from 10.30 am to 12.30 pm, based on the theme "Accelerating Change". The program commenced with TamizhThaaiVaalthu, followed by the welcome address by Niranjan.

The quiz prepared and resented by Manirathinam was an absolute ice breaker that encouraged active participation from the batch. The following sessions were nothing less than a cultural treat including poem recitar, photography contest, memes, reels, short film, poster presentation and paintings display. All based on the theme "Save Water". The whole program was graced by the presence of Dr. Shantha Parthiban, Prof. and HOD Anesthesia and Dr. Sumithra Devi, Asst. Prof. of Psychiatry. Then there was a surprise dance performance by the girls of the 2021-22 batch, without which the program wouldn't be a real entertaining one. The vote of the thanks was delivered by Dharshini. The national anthem followed that, making the end of the session conducted by the IQAC, and Nature’s club KIMS&RC.
