### Event Report:

The Department of Community Medicine & Medical Education Unit, KIMS & RC, organized a Two-day Workshop on 'Research Protocol Writing' for first year MD/MS Post Graduate students on 27<sup>th</sup> & 28<sup>th</sup> January, 2023.

Faculties from various specialties were the resource persons for the workshop. The 37 Post Graduate students were divided into five groups. A handout, which included activities to be completed at the end of every session was distributed to the participants. Each group was asked to develop a Research protocol during the course of the workshop.

On the second day of the workshop, the groups presented their proposals. A four-member judging panel scored each of the proposals based on originality of the proposal, completeness, depth of information and team work. Group E and Group B were awarded first and second prize.

### Prize Winners:
