### Event Report:

Bipolar Day is celebrated on 30th March every year to increase awareness and understanding about bipolar disorders. This day aims to promote education, support, and advocacy for individuals living with bipolar disorders and their families. To mark the occasion, A quiz program was conducted for UGs and PGs on 30<sup>th</sup> March 2023, from 10.30am to 11.30am, based on the theme for world bipolar day “BIPOLAR TOGETHER”. This program provided an opportunity for the students to learn about the signs, symptoms, and treatment options available for various bipolar disorders. All the student took part in the quiz proactively and made the event as grand success.
