

**4.3.5: Details of the library usage by teachers**

Faculty, teachers are using library facility whenever required. During college hours they visit library, procure books, read books, read newspaper and journals in faculty reading hall.

Off campus, faculty uses library facility remotely by logging into delnet account.

Following document is extract of in and out register during the year 2022-23. Some of the days details from January to December are scanned and attached below with authorized signature.
