

## REPORT ON AFFINITY 2022

**Compiled by Cultural Club, Sports Club**

AFFINITY 2022 an annual sports and cultural fest with more than 50 medical colleges participating every year. We, the ZEHNOLANTZ Batch of 2018 took the mantle for conducting this grand event in its 7th edition on the theme "CINEMA" with heart filled pleasure and enthusiasm. The ultimate goal of conducting this event is to **help underprivileged children** get education by dedicating a percentage of funds collected from our sponsors to them.

With the world going digital, this event was started with the aim to ensure that connectivity and competition between colleges is not lost due to the circumstances brought about by the Covid-19 pandemic. We conducted a wide variety of events engaging creative, speaking, literary, dance, music, photography and filming skills.

Sports and Cultural committee members who worked tirelessly and made the event grand success are..
