

## YEARLY STATUS REPORT - 2022-2023

<b>Part A</b>	
<b>Data of the Institution</b>	
<b>1.Name of the Institution</b>	Karpaga Vinayaga Institute of Medical Sciences and Research Centre
• Name of the Head of the institution	Dr. Sufala Sunil Vishwasrao
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone No. of the Principal	04471565100
• Alternate phone No.	04427565170
• Mobile No. (Principal)	9551403203
• Registered e-mail ID (Principal)	kimsprinci@gmail.com
• Alternate Email ID	anuregu@yahoo.com
• Address	GST Road, Chinnakolambakkam
• City/Town	Maduranthgam Taluk, Chengapattu District
• State/UT	Tamil Nadu India
• Pin Code	603308
<b>2.Institutional status</b>	
• Affiliated / Constitution Colleges	Affiliated
• Type of Institution	Co-education

• Location	<b>Rural</b>												
• Financial Status	<b>Private</b>												
• Name of the Affiliating University	<b>The Tamil Nadu Dr. MGR Medical University</b>												
• Name of the IQAC Co-ordinator/Director	<b>Dr. Sunil Mhatarba Vishwasrao</b>												
• Phone No.	<b>04471565100</b>												
• Alternate phone No.(IQAC)	<b>04427565170</b>												
• Mobile No:	<b>8973463297</b>												
• IQAC e-mail ID	<b>iqac@kims.edu.in</b>												
• Alternate e-mail address (IQAC)	<b>drsunilmv@kims.edu.in</b>												
<b>3.Website address (Web link of the AQAR (Previous Academic Year)</b>	<a href="https://kims.edu.in/wp-content/uploads/AQAR-21-22-PDF.pdf">https://kims.edu.in/wp-content/uploads/AQAR-21-22-PDF.pdf</a>												
<b>4.Was the Academic Calendar prepared for that year?</b>	<b>Yes</b>												
• if yes, whether it is uploaded in the Institutional website Web link:	<a href="https://kims.edu.in/academic-calendar-6/">https://kims.edu.in/academic-calendar-6/</a>												
<b>5.Accreditation Details</b>													
<table border="1"> <thead> <tr> <th>Cycle</th> <th>Grade</th> <th>CGPA</th> <th>Year of Accreditation</th> <th>Validity from</th> <th>Validity to</th> </tr> </thead> <tbody> <tr> <td><b>Cycle 1</b></td> <td><b>B++</b></td> <td><b>2.84</b></td> <td><b>2021</b></td> <td><b>01/03/2021</b></td> <td><b>28/02/2026</b></td> </tr> </tbody> </table>	Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to	<b>Cycle 1</b>	<b>B++</b>	<b>2.84</b>	<b>2021</b>	<b>01/03/2021</b>	<b>28/02/2026</b>

<b>Cycle 1</b>	<b>B++</b>	<b>2.84</b>	<b>2021</b>	<b>01/03/2021</b>	<b>28/02/2026</b>								
<b>6.Date of Establishment of IQAC</b>	<b>17/12/2019</b>												
<b>7.Provide the list of funds by Central/ State Government-UGC/ICSSR/ IUCTE/CSIR/DST/DBT/CPE of UGC/PMMMNTT etc.</b>													
<table border="1"> <thead> <tr> <th>Institution/ Department/Faculty</th> <th>Scheme</th> <th>Funding agency</th> <th>Year of award with duration</th> <th>Amount</th> </tr> </thead> <tbody> <tr> <td><b>Nil</b></td> <td><b>Nil</b></td> <td><b>Nil</b></td> <td><b>Nil</b></td> <td><b>Nil</b></td> </tr> </tbody> </table>	Institution/ Department/Faculty	Scheme	Funding agency	Year of award with duration	Amount	<b>Nil</b>	<b>Nil</b>	<b>Nil</b>	<b>Nil</b>	<b>Nil</b>			
Institution/ Department/Faculty	Scheme	Funding agency	Year of award with duration	Amount									
<b>Nil</b>	<b>Nil</b>	<b>Nil</b>	<b>Nil</b>	<b>Nil</b>									
<b>8.Whether composition of IQAC as per latest NAAC guidelines</b>	<b>Yes</b>												

<ul style="list-style-type: none"> <li>• Upload latest notification of formation of IQAC</li> </ul>	<a href="#">View File</a>	
<b>9.No. of IQAC meetings held during the year</b>	<b>4</b>	
<ul style="list-style-type: none"> <li>• Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website?</li> </ul>	<b>Yes</b>	
<ul style="list-style-type: none"> <li>• (Please upload, minutes of meetings and action taken report)</li> </ul>	No File Uploaded	
<b>10.Whether IQAC received funding from any of the funding agency to support its activities during the year?</b>	<b>No</b>	
<ul style="list-style-type: none"> <li>• If yes, mention the amount</li> </ul>		
<b>11.Significant contributions made by IQAC during the current year (maximum five bullets)</b>		
1. Organization of programs that saves the nature. 2. Training of the staff about NAAC orientation. 3. Supporting the Induction program at all the levels of Employees. 4. Collection of Feedback from various stake holders and suggesting actions to relevant bodies. 5. Organization of awareness programs on internet safety. 6. Plan and conduct of Academic and administrative audit.		
<b>12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year (web link may be provided).</b>		
Plan of Action	Achievements/Outcomes	
1. Strengthening of research activity, organization of CME and seminar through the departments,	Mobilized all postgraduates, Undergraduate students and interns for conduct of research.	
<b>13.Whether the AQAR was placed before statutory body?</b>	<b>Yes</b>	
<ul style="list-style-type: none"> <li>• Name of the statutory body</li> </ul>		

Name	Date of meeting(s)
Council Meeting	08/08/2023
<b>14.Does the Institution have Management Information System?</b>	<b>Yes</b>
<ul style="list-style-type: none"> <li>If yes, give a brief description and a list of modules currently operational</li> </ul>	
<p>1. Autolib module in library</p> <p>2. College connect app- for communicating parents. The Attendance details, day to-day activities of students, fees status, students IA marks, any other circular information can be viewed by the parents with the help of this app.</p> <p>3. Hospital Management system- that provides details about the patient demographic information, diagnostic details. lab reports etc.</p> <p>4. For finance: Tally</p>	
<b>15.Multidisciplinary / interdisciplinary</b>	
<p>We have created log in ID of the Institute on ABC portal through site <a href="http://www.abc.gov.in">www.abc.gov.in</a>. The institution has taken initiative to collaborate with foreign colleges to expose the students to various other courses. Also, some of the faculty members are in the process of developing E course for the undergraduate as well as postgraduate students.</p> <p>This year some of the first year, second year and final year students visited to</p>	
<b>16.Academic bank of credits (ABC):</b>	
<b>17.Skill development:</b>	
<p>Institution has well established skill lab to acquire certain skills that is going to be required in life long training. Following courses are regularly conducted in the institute. 1. Basic Cardiopulmonary Life Support (BCLS) 2. Advanced cardiac Life Support (ACLS) 3. Comprehensive Cardiopulmonary Life Support (CCLS) 4. Oxygen therapy &amp; Basics in Mechanical Ventilation 5. Virtual Reality</p>	

Skill Training which includes - Urinary Catheterisation, Nasogastric Tube insertion, Electrocardiogram, IV cannulation, Arterial Blood Gas sampling, Wound Care-Ulcer Management, Wound care-Abrasion Contusion Laceration, IV Infusion, Injection Administration-Subcutaneous, Intradermal, Intramuscular, Intravenous, Prescribing and administering oxygen. Also includes Initial Patient assessment, Blood Transfusion, Ophthalmoscopy, Otoscopy, Collection of swabs-Nasopharyngeal & Nasal, Collection of swabs - Oropharyngeal & Buccal, Blood Grouping and Cross Matching, Blood & Pus Culture Medium & Collection. In addition, students are being trained in soft skills, language skill, bioethics and humanity. New skill development courses are being developed so that each student can take at least one vocational course during the curriculum.

**18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Other than allopathy, students can acquire knowledge on ancient medicine from other disciplines such as Ayurveda or Siddha.

The institute has planned to deliver curriculum in bilingual mode where English is primary language while some of the important concepts will be repeated in Tamil language. Students of the other states are provided local language training so as to make them more comfortable while history taking in clinical postings. To promote Indian languages, we conduct International Mother Language day regularly. Students from different language backgrounds deliver talks and discuss about the importance of their mother tongue.

**19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Institution adheres to the Competency Based Medical Education (CBME) for undergraduates and postgraduates as stated by National Medical Council which primarily focuses on cognitive, psychomotor and affective domains. The institute has set primary and secondary outcomes at the completion of MBBS. Students are being assessed accordingly to reach the desirable goals. To capture outcome skills and assess students' knowledge, along with formative and summative assessment, students are trained to exhibit their skills by participating in various other activities such as field visit, camp visit, industry visit, model, seminar and poster competition. All the phases of the students undergo skill module training, where students need to complete the relevant skill with desirable credit score. Student repeats the skill until he gets desirable score.

**20.Distance education/online education:**

Institution has provided platform for the students to learn

bioethics and to gain continuous medical education through online CME.

### Extended Profile

#### 1.Student

2.1  
Total number of students during the year: 1093

File Description	Documents

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum planning, delivery and evaluation through a well defined process as prescribed by the respective regulatory councils and the affiliating University.

The institution follows the curriculum laid down by NMC and The Tamil Nadu Dr MGR Medical University.

**Curriculum Planning:** The curriculum is extensively discussed in the Curriculum Committee and Curriculum subcommittee meetings regarding planning and modalities of delivery in detail. Members review syllabus, teaching learning methodology, its assessment, and students' academic performance. The time table is prepared using academic calendar approved by curriculum committee.

**Curriculum delivery:** The curriculum delivery is made effective through traditional teaching learning methods and audio-visual aids. In addition, innovative teaching learning methods such as bed side teaching, simulation-based learning, community-based teaching, role plays, seminar presentation, integrated teaching methods are used at regular intervals. All the postgraduate departments prepare monthly schedules for seminar/tutorial, Journal club, case presentation and case discussion.

**Evaluation:** Formative assessments are conducted every Saturday and summative assessments at the end of the term. Internal assessment methods include theory and practical exam, clinical term end exam, viva and OSCE/OSPE. After first two internal assessments, slow learners and advanced learners are identified and special coaching and extra guidance is provided to them.

English speaking course is conducted for the students who completed

their HSC in regional language while students from outside states are assisted with language and communication course.

File Description	Documents
Minutes of the meeting of the college curriculum committee	<a href="https://kims.edu.in/wp-content/uploads/1.1.1-Curriculum-Comittee-Minutes-of-Meeting-of-Meeting-August-2022-August-2023.pdf">https://kims.edu.in/wp-content/uploads/1.1.1-Curriculum-Comittee-Minutes-of-Meeting-of-Meeting-August-2022-August-2023.pdf</a>

**1.3 - Curriculum Enrichment**

1.3.1 - The Institution integrates cross-cutting issues relevant to gender, environment and sustainability, human values, health determinants, Right to Health and emerging demographic issues and Professional Ethics into the Curriculum as prescribed by the University / respective regulative councils

A medical education at Karpaga Vinayaga Institute of Medical Sciences and Research Centre is not merely to gain knowledge in particular area but preparing atmosphere for the students to make worthy citizens of the Global Society. Cross-cutting issues related to gender, environment sustainability, professional ethics, human values, health determinants, right to health issues and emerging demographic changes are given critical importance.

**Gender Equity:** The Institution has celebrated International Women's Day on the 8th of March 2023, where rally for gender equality was organized to address the issue with slogan "Digit ALL - with innovation and technology for gender equality".

**Environment Consciousness:** IQAC celebrated World water day on 22.3.23 with the theme: "accelerating the change". The first-year students are briefed about environment sustainability during foundation course.

**Ethics and Bioethics, human values:** Professional ethics is not only taught during orientation programmes but also in AETCOM sessions. Institute has conducted value added course on "Research Paper Writings' and Proposal Submission." The Institute has an active international unit of Bioethics- UNESCO Chair which celebrates World Bioethics Day every year in the month of October.

**Right to health and emerging demographic issues:** In Community Medicine block postings, students are taught about right to health, demographic issues. Interns (CRMI) in their community postings visit the villages and share their knowledge on preventive health and stress about importance of Right to Health.

Student participation details and outcome records	<a href="#">View File</a>
Any other relevant information	<a href="#">View File</a>

### 2.2.2 - Student - Fulltime teacher ratio (data for the academic year)

Number of Students	Number of Full Time Teachers
<b>1093</b>	<b>210</b>

File Description	Documents
List of students enrolled in the preceding academic year	<a href="#">View File</a>
List of full time teachers in the preceding academic year in the college	<a href="#">View File</a>
Institutional data in prescribed format (data templates)	<a href="#">View File</a>
Any other relevant information	No File Uploaded

2.2.3 - Institution facilitates building and sustenance of innate talent /aptitude of individual students (extramural activities/beyond the classroom activities such as student clubs, cultural societies, etc)

Karpaga Vinayaga Institute of Medical Sciences and Research Centre facilitates building and sustenance of innate talent of the students through various activities that are organized by different clubs such as Cultural Club, Sports Club, Youth Red cross Club (YRC), Students bioethics wing. The members of the club include the students who are willing to work & have exhibited their extraordinary talent during the Fresher's Day. A faculty member is allocated for each club for its smooth functioning.

**Roles and Responsibilities of various clubs:**

1. Cultural club: organize cultural intercollege and intra-college competition. Motivate students to participate in various cultural activities happening in the institute.
2. Sports Club: Organize inter college sport competition and motivate students to participate in sport competitions.
3. Youth red cross Club: organize awareness programs under the banner of YRC.
4. Student's Bioethics Wing: sensitise students about importance of bioethics and actively participate in World Bioethics Day.
5. Nature club: Motivate students, teaching and non-teaching staff about measures to be taken for environment sustainability.

**Programs organized:**

1. Organized intercollege sports and cultural meet (Affinity 2023) during 24th to 26th April.
2. Bioethics day celebration: 19.10.2022
3. Celebration of teacher's day on 05.09.2022.
4. Participation in Independence day and Republic day

celebration.

### 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods are used for enhancing learning experiences by: Experiential learning Integrated/inter disciplinary learning Participatory learning Problem solving methodologies Self-directed learning Patient-Centric and Evidence-Based Learning Learning in the Humanities Project-based learning Role play

Institution promotes following student centric teaching learning techniques, methods to enhance learning skills.

1. Experiential learning: achieved by visiting to various places such as STP plant, Dairy plant, pharmaceutical company, Oxygen plant, Leprosy centre, TB centre etc.
2. Integrated learning: As per CBME curriculum, in all phases' integrated sessions are conducted for students to understand subject in better way.
3. Participatory learning: UG and PG students participate in various quiz competitions, poster or model competition.
4. Problem solving methodologies carried out in practical and case discussions.
5. Self-directed learning: Students learn from own activities such as assignments, reading before class, Journal club presentation.
6. Patient centric and evidence-based learning: these skills are gained by discussing laboratory findings, presenting journal club, recent advances on the particular topic.
7. Learning in humanities: learned through AETCOM sessions.
8. Project based learning: delivered by conducting research or doing project.
9. Role play: best method for interactive session. Departments frequently plan role play session for difficult topics.

3. Audio-visual system

4. Virtual platform like G meet, Microsoft Teams for online teaching

5. The statistical software SPSS is available for the analysis of complex set of data for research projects and dissertation

6. Learning management System for students

7. DVD, Hard Disc

The institution is equipped with virtual skill lab where students can practice certain procedures such as urinary catheterization, intubation, initial patient management, atrial blood gas sampling, nasogastric tube insertion etc.

Computer simulation lab in pharmacology department used for animal experiments.

Most of departments have uploaded lecture videos on Microsoft Teams which can be accessed by student anywhere using their Microsoft ID account.

Any other relevant information	<a href="#">View File</a>

2.3.5 - The teaching learning process of the institution nurtures creativity, analytical skills and innovation among students

The Institution supports innovative teaching-learning methods which ensure active participation, interaction and involvement of the students. Development of creativity, analytic skill and innovation needed to become a competent and confident healthcare provider.

1. Creativity:

Case based and chart-based learning: During clinical posting case discussion students develops interest to reach diagnosis. Also, some of the classical case scenarios is discussed in pre, para and clinical departments.

Poster and model competition: During model and poster presentations, the students can use their innovative and creative minds to make the presentation more effective.

2. Analytic skills:

The Department of Psychiatry has created charts prepared as per the history narrated by the patients/relatives helps to analyse case.

In department of Pharmacology, Community Medicine Pathology, Physiology, Biochemistry, clinical problem in the form of case scenario are given to assess analytic skill of the student.

During research, statistical analysis also improves analytic skill of the individuals. All post graduates undergo Research Methodology workshop conducted by MEU and Community Medicine.

3. Innovation: Students are given assignments on recent topic that stimulate their innovative mind.

**2.5 - Evaluation Process and Reforms**

2.5.1 - The Institution adheres to the academic calendar for the conduct of Continuous Internal Evaluation and ensures that it is robust and transparent

**The institute adheres to the academic calendar for conduct of internal assessment.**

**Academic calendar includes:**

- **Dates of Internal assessments**
- **Dates of various committee meetings**
- **Days of celebration**
- **Dates of CME and workshop**

- Dates of Parent teacher meetings
- Programs to be conducted by various clubs

As per CBME, whole one year time table for phase I, Phase II and Phase III is prepared and displayed on the website.

Schedule of IA: Undergraduate students write the internal assessment exam on every Saturday in all subjects by rotation with prior information (a week before exam). Postgraduate students write IA on last Monday of every March, June, September and December.

Setting of question paper: question paper is set for undergraduates by faculty above associate professor in rotation, and by professors for postgraduates.

Invigilation: Departmental faculty are invigilators which follows strict guidelines to prevent malpractice. Use of Cell phone, electronic gadgets are not allowed. For post graduates, 2 invigilators conduct exam in examination hall. All the departments send the question paper in a sealed envelope to the Principal's office a day before the exam or on the day of the exam which is handed over to invigilator 10 minutes before commencement of exam.

Evaluation and feedback: Academic Performance of the students is evaluated using answer key, feedback is given and marks of internal assessment is communicated to the students.

2.5.2 - Mechanism to deal with examination-related grievances is transparent, time-bound and efficient. Provide a description on Grievance redressal mechanism with reference to continuous internal evaluation, matters relating to University examination for submission of appeals, providing access to answer scripts, provision of re-totaling and provision for reassessment within 100 - 200 words

Institute adheres with guidelines laid down by parent university

exam related grievances in summative exam.

**Summative exam:**

1. University accepts late submission of examination forms with late fees.
2. If admit card of the students are not received in time, we inform the Controller of the Examinations.
3. During examination, any discrepancy in question paper is communicated through the portal.
4. Regarding evaluation of answer paper: University allows only retotalling of marks for which student has to write a letter to Principal which is forwarded to University.

**Formative exam:**

1. Dates of internal assessment are informed well in advance.
2. Any mass copying, malpractice in the exam is seriously dealt with.
3. Any discrepancy in question paper is immediately corrected.
4. For evaluation three tier system is followed.
5. Tier I: Error in totalling, missed evaluation of any question is corrected by the evaluator.
6. Tier II: If the student is biased about evaluation, then he or she can ask for second evaluation done by Head of the Department.
7. Tier III: If the student is still unhappy about the process of handing grievances, he can report his concern to the Head of the Institution (Principal) in writing.
8. The college has a grievance redressal committee comprising of the Heads of the various departments. The committee will give a hearing to the appellant before deciding the matter appropriately.

Any other relevant information	<b>No File Uploaded</b>

2.5.3 - Reforms in the process and procedure in the conduct of evaluation/examination; including the

automation of the examination system. Describe the reforms implemented in internal evaluation/ examinations with reference to the following within 100 - 200 words Examination procedures Processes integrating IT Continuous internal assessment system Competency-based assessment Workplace-based assessment Self assessment OSCE/OSPE

As Institution comes under the purview of affiliated university, it adopts the examination system laid down by university for the conduct of summative examination.

The University has implemented an examination management system with 90% automation of the exam process that includes

- Student registration
- Issue of hall tickets
- Downloading of question papers
- Uploading of internal assessment and practical exam marks.
- Uploading of PG dissertation

Other reforms introduced by the university are greater transparency by installation of high-definition CCTV camera, mobile jammer and metal detector.

Recently parent university has made online dissertation submission for postgraduates to avoid hard copy submission.

All 3 hours activity in the examination hall is to be recorded and to be sent to the university in CD format. Additionally live streaming of examination is done by the university. Now teachers need not to go to university for evaluation of answer sheets as online answer sheet evaluation is practiced since last 2 years.

Formative Internal assessment test is conducted by each department under strict guidelines and question paper is prepared as per CBME guidelines. Theory Internal assessment is followed by practical exam. As per the new syllabus certain competencies are assessed in practical exam through OSPE & OSCE. Clinical posting exam is conducted at the end of the clinical postings.

**2.6 - Student Performance and Learning Outcomes**

2.6.1 - The Institution has stated the learning outcomes (generic and programme-specific) and graduate attributes as per the provisions of the Regulatory bodies and the University; which are communicated to the students and teachers through the website and other documents

Considering National Medical Commission & parent University Curriculum, following Program specific outcomes are stated by the Institute.

The Indian Medical Graduate shall be able to

1. Provide preventive, promotive, curative, palliative and holistic care with compassion.
2. Act as a Leader and member of the health care team.
3. Analyse, synthesize and communicate health data appropriately.
4. Communicate effectively with patients, attendants and colleagues.
5. Commit himself or herself to be a lifelong learner for the continuous improvement of skills and knowledge.

6. Follow ethical guidelines in patient care & medical research
7. Learn newer technologies and possess attitude of self-learning
8. Take rational decision in critical scenario and emergency
9. Accountable to the patient and acquire basic knowledge in implementation of health care related programs
10. Work as a team member in Pandemic or epidemic situations.

The students are detailed about the program-specific outcomes and course outcomes during the foundation course, orientation programme conducted for them before the commencement of their course. The course outcomes are also discussed at the departmental staff meeting at the beginning of every academic year.

Programme outcomes specifying national goal, program-specific outcomes (institutional goal) and course outcomes are displayed on the Institution website.

Data template	<a href="#">View File</a>
Any other relevant information	<a href="#">View File</a>

2.6.3 - The teaching learning and assessment processes of the Institution are aligned with the stated learning outcomes. Provide details on how teaching learning and assessment processes are mapped to achieve the generic and program-specific learning outcomes (for each program) within 100 – 200 words

The Institute has provided well-structured strategies for teaching learning and assessment to achieve intended outcomes for the UG and PG program.

**Undergraduates:** attainment of specific learning outcome are achieved by formative & summative exams. Practical exams are conducted as per the schedule. Practical records are prepared as per the given syllabus in such way, that knowledge as well as skills can be assessed. Students who do not perform up to the expectations are given chance to improve themselves. CRRIs are assessed by every department at the end of the posting.

**Postgraduates:** are regularly assessed through various teaching learning activities like seminar, journal club, case presentations etc. College conducts internal assessments for PG's every 3 monthly so that students can assess themselves and acquire knowledge.

Postgraduate students update their activities in the PG log book

where they write about daily academic activities. As per the stipulated norms, post graduates have to complete their dissertation before writing their university exams.

File Description	Documents
Programme-specific learning outcomes	<a href="https://kims.edu.in/wp-content/uploads/2.6.3-Program-Specific-Outcome.pdf">https://kims.edu.in/wp-content/uploads/2.6.3-Program-Specific-Outcome.pdf</a>

2.6.4 - Presence and periodicity of parent-teachers meetings, remedial measures undertaken and outcome analysis. Describe structured mechanism for parent-teachers meetings, follow-up action taken and outcome analysis within 100 - 200 words

The Parent-Teachers Meetings are conducted regularly from the first year MBBS to the final year MBBS and the Allied Health Science students.

The scheduled dates for parent-teacher meetings are decided at the starting of each academic year and are displayed on the college website in the academic calendar and the notice board.

Personal communication is also sent to the parents one week before the scheduled date. The heads of the department and the batch coordinator discuss student's performance in the academic activity and attendance.

The HOD of the respective department stresses the importance of attendance in theory and in practical and informs the parent about the consequences of lack of attendance (Less than 80%) and poor performance (Average Internal assessment less than 35%) before writing the University exam.

The feedback from the parents is collected and is discussed in the Curriculum Committee/ IQAC meetings. The feedback is analysed, and suggestions are given to the respective board/ committee. The action initiated as per the report is informed through the circular.

File Description	Documents

## 3.2 - Innovation Ecosystem

3.2.1 - The Institution has created an ecosystem for innovations including Incubation Centre and other initiatives for creation and transfer of knowledge. Describe the available Incubation Centre and evidence of its functioning (activities) within 100 - 200 words

Karpaga Vinayaga Institute of Medical Sciences and Research Centre has a well-established Central Research Laboratory (CRL) for Research and transfer of knowledge which is fully air conditioned and is located on the ground floor in the college building which is accessible to all the departments.

The facilities of the CRL and its roles and functions are described during the orientation program to the MBBS students by the in-charge of the CRL to motivate them towards research activities. CRL is running under the guidance of Research director Dr Murugesan who regularly conducts online and offline meeting for postgraduate students, faculties, review projects and provides necessary suggestions.

Organization has collaborated with KK biotech for development of genomic research in the institute. Last year (22-23), following guest Workshop, seminars have been organized by Research Committee.

SL No.

Name of the activity

Date of the event

Number of participants

Objective

1

Intellectual property Day Celebration

09.05.2023

123

To accelerate innovation and creativity

2

Celebration of National Sciences Day

3.4.4 - Institutional social responsibility activities in the neighbourhood community in terms of education, environmental issues like Swachh Bharath, health and hygiene awareness and socio-economic development issues carried out by the students and staff during the year. Describe the impact of extension activities in sensitizing students to social issues and holistic development within 100 - 200 words

Karpaga Vinayaga Institute of Medical Sciences & Research Centre has developed extension activity program intending to promote healthy practices and provide health care services to the rural population. These activities not only fulfil the Institution's social responsibility but also sensitize the students on social and health-related problems prevailing at the community level.

1. Social responsibility of education: Providing education to poorly economic status category with concession.
2. Activities relevant to environmental issues: Organizing swachh Bharath program. Highlighting environmentally sensitive issues during sports and cultural such as save water, save environment.
3. Activity related to health and hygiene awareness: Organising medical camps, school health check-up. Delivering subsidizing healthcare services compared to other healthcare providers around the area.
4. Activities related to socioeconomic issues: Financial support to government.

Institute has given donation for following noble cause.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc. Describe the adequacy of facilities for teaching-learning viz., classrooms, ICT-enabled classrooms, seminar halls, facilities for clinical learning, learning in the community, Teleconferences, AYUSH-related learning cum therapy centre, well-equipped laboratories, skills labs etc. as stipulated by the appropriate Regulatory bodies within 100 - 200words

The Institution has teaching learning facility as per the statutory norms.

Classrooms cum lecture halls, Demonstration rooms: 5 gallery type classrooms with seating capacity of 150 equipped with ICT enabled facilities such as desktop, audio facility, LCD and WIFI enabled. Every department has one demonstration room with seating capacity of 60 with projectors and is WIFI enabled.

Laboratories and museums: Institution has 14 laboratories for experiential learning, clinical lab testing and professional skill development

Computer lab: Department of Pharmacology has computer assisted learning lab which can accommodate 30 students at a time for performing animal experimentation.

The gallery type CME hall with a seating capacity of 380 is used for conducting various scientific programmes by the Institution.

Skill lab: A state-of-the-art skills lab is available for teaching basic skills such as CPR, suturing, IV cannulation, IM injection, urinary catheterization and also certain advanced skills like ACLS,

Endotracheal intubation etc. In addition, virtual reality skill facilities are available with extensive modules on patient care.

Animal house: is approved by the CPCSEA.

Learning in the community: Students are posted regularly to Urban Health and Training Centre in Anna Nagar, Chengalpattu and Rural Health Training Centre in Pullipakkam, to expose them to community-based learning practices.

4.1.3 - Availability and adequacy of general campus facilities and overall ambience: Describe the availability and adequacy of campus facilities such as hostels, medical facilities, toilets, canteen, post office, bank, roads and signage, greenery, alternate sources of energy, STP, water purification plant, etc. (within 100 - 200 words)

General campus facilities for recreation and to cater daily needs of the students are as follows.

**Residential Facility:** There are separate hostels for boys (2) and girls (2) (for undergraduates and postgraduates) with CCTV's to monitor activity of the students and outsiders. Students are provided with 24/7 RO drinking water and hot water for bathing. The safety measures are taken through highly efficient, trained security personnel; regular vigilance is kept by the wardens throughout the day. The girls' hostel has been provided additional security with a double-walled and double-gated compound. All the hostels have lifts with 24 hours power back-up.

**Staff Quarter:** Residential facility is provided for teaching and non-teaching staff separately.

**Medical Facility:** Free medical facility for all students is available 24/7 at the attached teaching hospital with separate wards for doctors and students.

**Toilets:** Clean & well-maintained washrooms are provided in the college and hospital blocks and other strategic places within the campus which is also disabled-friendly.

**Canteen:** College canteen provides tasty and hygienic food to meet the requirements of the students, faculty & patients at subsidized

rates.

Post office, Axis bank and Indian bank ATM centre: is available at the entrance of the college.

**4.2 - Clinical, Equipment and Laboratory Learning Resources**

4.2.1 - Teaching Hospital, equipment, clinical teaching-learning and laboratory facilities as stipulated by the respective Regulatory Bodies. Describe the adequacy of the Teaching Hospital, equipment, clinical teaching-learning and laboratory facilities as stipulated by the respective Regulatory Bodies within 100 - 200 words

**Teaching hospital:** The institution has well equipped 750 bedded hospital with 11 modern operation theatres and 40 bedded intensive care units. The operation theatres and intensive care areas are furnished with life-saving equipment's like Ventilators, defibrillators, Infusion pumps, Multipara monitors. The institute has well established IVF centre and cath lab which provides training to PG students and exposure to latest development in medical field.

**Equipments:** All the necessary equipments are available for training of undergraduate and postgraduate students. The list includes: MRI GE 1.5 Tesla, CT-Scan, X-rays 800 MA, Digital X ray, Ultrasonography, Colour Doppler, Digital mammography, Various

endoscopes, latest anaesthesia machines, Cath lab machine, Dialysis unit. The Central Clinical laboratory (CCL) is fully automated and equipped with Advanced Autoanalyzers.

**Clinical teaching learning facility:** There are well-established clinical departments demo room, procedure room & museum. Department of Respiratory Medicine has DOTS centre which provides treatment for Tuberculosis patient while ART centre established in hospital treat patients with HIV infection. Molecular lab is also well established with RT PCR and TRUE NAT equipments. Students gets adequate exposure to these various facilities.

**Lab facilities:** Central lab is NABL accredited and has latest equipments to carry out diagnostic procedures. Hospital has well established blood bank working for 24 hours.

**4.3 - Library as a Learning Resource**

4.3.1 - Library is automated using Integrated Library Management System (ILMS). Describe the Management System of the Library within 100 - 200 words

The library is fully automated with barcodes for computerized circulation. The software used is-"AutoLib" software systems, one of the leading academic campus automation solution providers in Tamil Nadu.

Date of Instalment: March 2014.

It has following modules: Standard modules:

1. Cataloguing: this module shows complete details about the available books, journals, dissertation copies, etc. it also provides stock details of the books.
2. Search: OPAC- data searching- simple and advanced search.
3. Circulation: Issuing and returning of book is done completely through the computer. Reminders for renewal is sent automatically to the students through email.
4. Report management: deals with department wise books detail, inter departmental transfer and issued books.
5. System administration: admin can use ID and password.

**Advanced modules:**

1. Book invoice processing:
2. Journal, issue management: deals with list of journals, issues and subscription details
3. Article Indexing
4. Online stock verification
5. Newspaper clippings: Medical related news can be clipped and saved.

Recently in collaboration with Doc Tutorial, institution has provided digital platform where students can listen to video lectures, read notes and solve MCQ's using tablet.

4.3.2 - Total number of textbooks, reference volumes, journals, collection of rare books, manuscripts, Digitalized traditional manuscripts, Discipline-specific learning resources from ancient Indian languages, special reports or any other knowledge resource for library enrichment

The library has a wide collection of books, journals and reference materials.

The primary purpose of library is to provide resources and services in various medical fields and to meet the needs of both the staff and the students for education, information and personal development.

In order to meet the objective of providing the right information at the right time, in the right form to the user, our library gives free access to many books, journals, e- journals etc. The library has a total number of 10,273 textbooks with current volumes of 110 journals of which 70 are national and 40 are international journals (apart from back volumes). The library has a section for highly valued and antique texts in medicine and other health sciences and

manuscripts.

The library has provision for open access content from the National Library of Medicine, PubMed and PubMed centre. Also, it has a collection of dissertations of the students, who have completed their course from our Institute. We have reference books, journals and CD ROMS. Books from renowned publishers, like Elsevier, Jaypee, CBS, Paras and books recommended by the WHO are some of our precious gems.

4.4.2 - Institution frequently updates its IT facilities and computer availability for students including Wi-Fi . Describe computer availability for students and IT facilities including Wi-Fi with the date(s) and nature of updation within 100 - 200 words

**Karpaga Vinayaga Institute of Medical Sciences & Research Centre has upgraded IT infrastructure for both academic and research support.**

**Computer facilities:** The Institute has 20 desktops in the Central Library, which are connected to high-speed internet. The department of Pharmacology has been provided 25 computers for teaching learning purpose. Students of second MBBS learn Animal study experiments by computer simulated methods. The college campus is WIFI enabled.

**Upgradation of IT updates in last one year:**

**1. Installation of fire walls**

**2. Installation of Anti-virus**

**3. High speed internet (0.5GBPS)**

**IT Maintenance:** IT department regularly visits the departments and frequently checks the updates.

4.5.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports facilities, computers, classrooms etc. Describe policy details of systems and procedures for maintaining and utilizing physical and academic support facilities within a maximum of 100 -200 words.

Karpaga Vinayaga Institute of Medical Sciences & Research Center has a well-established internal system for the maintenance and utilization of physical facilities. Physical infrastructure: Maintenance of physical infrastructure is done by civil department in-charge. Classrooms are maintained by the office attendant with proper record.

Laboratory and equipments: The Central Research laboratory instruments are maintained daily by the technicians and any related issues are reported to the technical supervisor. The technical supervisor conveys the matter to the quality manager of the lab and the biomedical engineer. Hospital equipments are maintained by biomedical in-charge Mr. Venkatesan.

IT facilities: Computers, WIFI connections, smart boards, projectors are maintained by IT department.

Library: The Library-in-charge is responsible for the maintenance of physical facilities at the library. Old books and replacement policy are decided by the library committee which conducts bi-annual meetings.

Sports Facilities: The sports equipment is maintained by the Sports Teacher. Any sports equipment damaged is repaired while irreparable equipment is replaced.

5.1.4 - The Institution has an active international student cell to facilitate study in India program etc..., Describe the international student cell activities within 100 - 200 words

**Karpaga Vinayaga Institute of Medical Sciences & Research Centre has an active International Student Services Cell (ISSC) under the control of the Principal. The ISSC was established to cater and to assist the international students admitted in the Institution at the undergraduate or postgraduate level.**

**The institute provides a handbook which includes the admission process for the international students, checklist, details of the**

visa etc. Currently, there is no international student but 21 Non-Resident Indian (NRI) are pursuing their postgraduate degree.

#### Role of ISSC

- Documentation of International students.
- Arrangements for reception, transport and induction schedule.
- To develop a positive relationship with other classmates and seniors to make them feel they are in a comfortable and safe atmosphere.
- To assist the students to keep in touch with their parents and relatives.
- To assist them with the help of hostel students and local native students to get familiar with the Indian culture, lifestyle, food style, sports, social events and culture of the local demographic details of the nearby villages.
- To help them in getting access to nearby banks to open accounts, to reach the nearest airport or railway stations, road routes etc.
- Periodical meetings to be conducted with the international students to address their needs, as and when required.

Describe the Student Council, its activities related to student welfare and student representation in academic & administrative bodies /committees of the Institution within 100 - 200words

**There is an active student council for curricular and extracurricular activities. The Council has equal representation from all the batches and equal gender distribution. Students`**

Council include President, Vice-President, Secretary, boys' and girls' representatives. The faculty from the academic and the administrative departments are also placed in the council as advisory members and Ex-officio members. The Advisory and Ex-officio members have to monitor the Council activities and guide and advise, as and when needed.

**Objectives:**

1. Organization of cultural and sport activities
2. Organization of Festivals such as Diwali, Pongal, Christmas
3. Mentorship: Senior students will help juniors in academic activities by providing them guidance. Council also connects the alumni and the students for further help and guidance for higher studies and career.
4. Organization of various days such as Teachers Day, World Environment day, Waterday.
5. Grievance redressal: represent student's grievances to the appropriate cell on behalf of the students.

**Representation of students in academic and administrative committees:**

- Curriculum Committee,
- IQAC,
- Library Committee
- Anti-Ragging Committee
- Anti-Sexual Harassment Cell
- Students' welfare committee
- Disciplinary committee

To promote the student council, students represent themselves in various clubs including, academic club, cultural club, health club, social service club.

## 5.4 - Alumni Engagement

5.4.1 - The Alumni Association is registered and holds regular meetings to plan its involvement and developmental activities with the support of the college during the year. Describe the contributions of the Alumni Association to the Institution during the year within 100 – 200 words

Karpaga Vinayaga Institute of Medical Sciences & Research Centre has an Alumni association where the undergraduates and postgraduate students graduated from our Institute can join and be a part of one of the stakeholders to support the growth of the Institution. Alumni association is registered at sub register office (Reg. no SRG Chengalpattu/42/2019) in the year 2019. The Association was formulated with the administrative staff and the alumni of the Karpaga Vinayaga Institute of Medical Sciences and Research Centre. The alumni play a major role in guiding the students to further pursue higher studies or to continue their career as doctors in society.

Contribution of alumni association during the year 2022-23.

1. To motivate and encourage students who scored highest rank in university examination-Association has appreciated toppers of the

all years (first to final year) by providing prize money from Alumni account.

2. To support students pursuing their studies in Karapaga Vinayaga Institute of Medical Sciences and Research Centre-organized workshop on NEXT on 17.7.2023.

3. To provide different career options after graduation-organized career counselling session on USMLE on 3.9.2022.

4. Appreciation and felicitation of best staffs on Independence Day and Republic day who worked tirelessly and sincerely during the year.

## **GOVERNANCE, LEADERSHIP AND MANAGEMENT**

### **6.1 - Institutional Vision and Leadership**

6.1.1 - The Institution has clearly stated Vision and Mission which are reflected in its academic and administrative governance. Describe the Vision and Mission of the Institution, nature of governance, perspective plans and stakeholders' participation in the decision-making bodies highlighting the activities leading to Institutional excellence.

**Vision:** To grow as an internationally recognized Institute, attaining excellence in the expertise of patient care, medical education and research and development to serve humanity.

**Mission:** Develop medical education and collaborative initiatives to achieve excellence in medical care, supported by a rigorous academic and research environment. We should be able to attract the best minds in a rewarding and inspiring environment by fostering creativity, innovation and adopting the recent advances in medical technologies. The highest standard of the patient should be aimed to serve the sick and the suffering, irrespective of their economic, social or religious status.

Our motto is to care with compassion and cure with competence.

**Nature of governance:** The main goal of governance is to achieve the stated vision of the Institute through active participation. Governing body empowers Principal and Medical Superintendent with required liberty to take administrative and academic decisions. Responsibility is further shared at head of the department level and other committee heads.

**Perspective plan and stakeholders' participation:** Feedback from various stakeholders like students, faculty, alumni, professionals, parents are obtained and necessary changes are incorporated in

perspective plan. Institution foresees to be ranked in NIRF within 100 in next 2 years.

6.1.2 - Effective leadership is reflected in various Institutional practices such as decentralization and participative management. Describe the organogram of the college management structure and its functioning system highlighting decentralized and participatory management and its outcomes in the Institutional governance within 100 - 200 words

The Institution has constituted varied committees to decentralize academic and administrative responsibilities to provide effective leadership. It aims for maintaining its key parameters such as quality education, quality service and quality research. Trustee is mainly taking care of grievances, finance and employee issues.

Principal is the head of the Institute and carries responsibility about academic, research and disciplinary matters while Medical superintendent holds responsibility of hospital and deals with patient care related issues. The Principal decentralizes the working pattern of the college by establishing various committees. Decentralization is earmarked for the staff members and students to participate in various programs conducted by the Institute.

Academic management: Academic calendar is prepared every year and all the departments follow program schedule mentioned in the calendar. All monthly academic details are sent to the principal office.

Administrative management: HOD is solely responsible for departmental administration. All the departments conduct monthly meetings to discuss intradepartmental issues.

Financial management: Finance in-charge prepares yearly budget after consulting all the departmental heads and forwards it to the trustee for the approval.

**Research:** Medical research is headed by Dr. Murugesan who regularly interacts with faculty and students and guide them in publishing research and getting funding for project.

**Disciplinary management:** there is separate committee which takes care of general discipline.

## 6.2 - Strategy Development and Deployment

6.2.1 - The Institutional has well defined organisational structure, Statutory Bodies/committees of the College with relevant rules, norms and guidelines along with Strategic Plan effectively deployed. Provide the write-up within 100 - 200 words

Institution has well defined organisational structure and well-developed strategic plan to monitor academic and administrative activities.

The Principal is the Head of the Institute and chairs all the committees. All the department and committee heads function under the guidance of Principal except Heads of department store, Pharmacy, Finance, Civil department, Electric and maintenance department and IT department which are governed under the guidance of Chief Administrative Officer.

Some of the important committees with their roles are mentioned below:

SL No.

Name of the committee

Roles and responsibilities

1

College Council Committee

Policy decisions, Academic policy implementation

2

Curriculum Committee

Planning and Implementation of curriculum, suggesting innovating TL methodology.

3

Medical Education Unit

Organising faculty development program, implementation of AETCOM

4

Institutional Ethics Committee

Evaluate ethical aspect of research work and monitoring of research

5

Institutional Animal Ethics Committee

Provide approval in animal study and inspect animal house during visit as per CPCSEA guidelines

6

Infection control committee

Hospital waste management and antibiotic policy

7

Anti-ragging committee

Prevention of ragging and sensitization about consequences of ragging.

8

Death audit committee

Analysis of death

9

**Women Empower Cell**

Organizes program that empowers women

10

Sexual harassment committee

Prevention of sexual harassment

6.3.5 - Institution has Performance Appraisal System for teaching and non- teaching staff. Describe the functioning of the Performance Appraisal System for teaching and nonteaching staff within 100 - 200 words

Performance appraisal system is the way to bring out the best from the employee as it improves their work efficiency and performance. Performance appraisal duration is from 1st January to 31st December of previous year, and is submitted by 15th January of next year. Institute follows following methods of appraisal system

1. Appraisal from reporting officer or Department head
2. Appraisal by the students
3. Self-appraisal by the employee
4. Appraisal by peers

Appraisal from reporting officer or Department head: Appraisal forms are submitted by Head of the departments to the Principal after obtaining appraisee signature. The form is reviewed by Principal and forwarded to trustee for final approval. Appraisal form consists of following items.

1. Basic information of person such as name, age, sex, Qualification, date of joining etc.
2. Assessment parameters which can evaluate knowledge, skill, attitude and behaviour of candidate

3. Areas of improvement

4. Appraisal's final comment

5. Total score with Head of the Institution sign

Appraisal by the students: feedback about the teacher is taken from the students at least once in a year. It is communicated to the teacher.

Self-appraisal by the employee is obtained only in case of ambiguity.

Appraisal by peers: Faculties, nonteaching staff whose names are selected by peers are appreciated for their work on special occasion.

**6.4 - Financial Management and Resource Mobilization**

6.4.1 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Karpaga Vinayaga Institute of Medical Sciences and Research Centre has set its guidelines and policy for resource mobilisation and optimal utilisation of resources which primarily focuses on institutional goals and achievements.

Resource Generation: The College generates resources from the following:

- Student academic fee
- Hostel fee
- Pharmacy
- Earnings from workshop/CME

- Rent from a commercial establishment inside the college
- Staff quarters: amount generated used for maintenance of staff quarters.
- Grants from governmental and non-governmental bodies
- Grants from our University for conducting faculty empowerment program

Optimal utilization of funds: funds generated are used judiciously focusing on overall development of the institute. Funds are used for

- Staff salary
- Infrastructure development and maintenance
- Purchase of new equipments, devices, drugs
- Hospital maintenance
- Organization of seminar
- Accreditation, Inspection fee
- All types stationary items
- Legal fee
- Department development

Resource Mobilisation Policy: The finance committee generates the annual budget. The head of each department submits its annual requirements to the Principal. The Principal of the Institution recommends to the Managing Trustee for approval.

File Description	Documents
Resource mobilization policy document duly approved by College Council/other administrative bodies	<a href="https://kims.edu.in/wp-content/uploads/6.4.1-Policy-Document-for-Resource-Mobilization.pdf">https://kims.edu.in/wp-content/uploads/6.4.1-Policy-Document-for-Resource-Mobilization.pdf</a>

6.4.2 - Institution conducts internal and external financial audits regularly. Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling any audit objections within 100 -200 words

Internal audit is conducted half-yearly and audited statement of accounts is placed before the finance committee and the Board of management for review and taking necessary decisions. The auditing team audits the purchase orders of the stores that are generated and formulated according to the rules and regulation of the State Government. The finance manager conducts the internal audit department-wise by checking the indent register and stocks of books and prepares documents about the proper utilisation of the resources by the department and submitting it to the Trustee. The external audit of the Institute is audited by qualified chartered accountant Mr Ananthakumar. The external audit is conducted every year.

The external auditor audits all the vouchers concerning the cash book. He analyses the income and expenditure and prepares the balance sheets. Audited statements of accounts and balance sheets are submitted to the finance committee, for information and consideration. Subsequently, the statements are placed before the board of management in November. Audited statements of accounts and balance sheets are forwarded to the Government of Tamil Nadu along with the annual report of the college every year, on or before 31st December.

No major audit objections were found during the last year.

**6.5 - Internal Quality Assurance System**

6.5.1 - Institution has a streamlined Internal Quality Assurance Mechanism. Describe the Internal Quality Assurance Mechanism in the Institution and the activities of IQAC within 100 - 200 words

**Internal Quality Assurance Committee of Karpaga Vinayaga Institute of Medical Sciences and Research Centre was established in December 2019 with objectives of ensuring effective performance of academic activities, strengthening of research and ensuring adequacy of infrastructure.**

IQAC is functioning effectively under the leadership of Principal, administrators and senior faculty members. IQAC meetings are conducted quarterly and as and when required with prior intimations. Meetings are addressed by the Principal. The IQAC regularly collects feedback on curriculum, infrastructure and development. The meetings of the IQAC are transparent, suggestions given by the Core committee members are noted and relevant suggestions are implemented subsequently.

Important Initiatives taken by the IQAC in the year 2022-23 are

1. Strengthening of stakeholders, feedback system in the Institution.
2. Organization of workshop on research funding and intellectual property rights
4. Prepared documents for NABH, NABL, NIRF and NAAC AQAR
5. organization of E-training program for faculty
6. Strengthening of Clinical Research
7. Appreciation of staff members during special occasion
8. Organization of program on environment consciousness-celebration of Water Day, Earth Day, World Environment Day.

7.1.2 - Measures initiated by the Institution for the promotion of gender equity during the year. Describe gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus within 100 - 200 words

**The Institution is providing equal opportunities for men as well as**

women in terms of education and employment.

Women are given equal preference while heading higher responsibilities in academic and research. Many departments are headed by women and most of the College Committee heads are women. There is female representation at the top administration level including the Head of the Institution, the Medical Superintendent, Deputy Medical Superintendent and the PG Director.

Following facilities has been provided for women.

1. Common rooms for girls.
2. Round the clock security in Girl's hostel.
3. Availability of day care centre: free day care facility is available in college premises with breast feeding room for females working in the institution.
4. Counselling services for female staff and students.

The Institute has organized following activities with an objective of enhancing gender equity and gender sensitization during year 2022-23.

The program includes

1. Celebration of International Women's Day-8.3.2023
2. Celebration of World Menopause Day-18.10.2022
3. Celebration of Breast Cancer Awareness Day-6.2.2023

7.1.4 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 100 - 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

**Solid Waste management: all solid waste except biomedical waste is segregated as bio-degradable, non-bio-degradable waste and disposed as per Solid waste management guidelines.**

**Liquid Waste management: Liquid waste generated from toilets**

(Sewage) and from other sources such as kitchen, bathrooms, cleaning common areas (Sullage), is treated through the sewage treatment plant (STP). Liquid waste from the laundry is treated through the effluent treatment plant (ETP).

**Biomedical Waste Management:** Biomedical waste is segregated, weighed and disposed in accordance with the guidelines of Tamilnadu waste management board. A standard operating procedure has been evolved for handling the biomedical waste by Tamil Nadu Pollution Control Board.

**Waste Recycling System:** Solid biodegradable waste is composted while effluent generated from STP is used for gardening purpose.

**E-Waste Management:** Parts of a computer like motherboards, compact discs and printers, cartridges of printers, fax and photocopy machines are recycled and old machines are upgraded to avoid buying new ones wherever possible.

**The hazardous chemicals and radioactive waste management:** the hazards chemicals and radioactive waste management is in accordance with NABH. The hazardous chemicals are removed from the stock three months before the expiry date and returned to the purchased vendors.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

KIMS & RC respects values of all religions and students with different cultural, social and communal backgrounds. The students seek admission to the institute across all the states of India representing spectrum of socio-cultural backgrounds. Presently other than Tamil Nadu, students from Maharashtra, Kerala, Karnataka, Hyderabad, Andra Pradesh, Bihar and Pondicherry are studying in our institute.

Cultural diversity: Institute have organized Cultural Festival "Affinity-2023" an annual sports and cultural Program on 22 to 24 June 2023. Students from 40 medical colleges in and around Tamil Nadu participated in Affinity and showcased their cultural talent. This provides a platform for our students to learn about each other's traditions and heritage.

Regional and Linguistic diversity: Regional festivals like Pongal/Makar Sankranti, Ayudha Pooja, Christmas are celebrated with great zeal to appreciate our rich historic and traditional values. During the fasting period before Ramzan, Muslim students are given special food in the mess which is made available at the timings of their convenience.

Communal and socioeconomic diversity: The Institute provides academic support to ensure all students have the opportunity to thrive. The Institute seeks to enhance students and faculty integration and appreciation of different socioeconomic groups through the following steps: Establishing a strong grounding in human values and ethics, making the students aware of the need to contribute to the local society by teaching bioethics. Visit nearby old age homes, community centre to enhance voluntary activities and foster cultural enrichment and harmony.

Global Science for Global well-being

## 7.2 - Best Practices

7.2.1 - Describe two Institutional Best Practices as per the NAAC format provided in the Manual (Respond within 100 - 200 words)

### Best Practice 1

**Title of the Practice: Promoting positive mental health among students**

**Objective:**

**1. Increase awareness of commonly encountered mental health issues and educate them on the available resources**

**Context: The incidence of mental health issues among students is on**

the rise after COVID-19 which leads to impaired functioning and increase tendency for suicidal ideation. Prompt and timely intervention seems to be the need of the hour.

**The Practice:** The department conducts regular awareness programmes and screening sessions targeting various mental health problems.

**Evidence of Success:** A good number of students have been benefitted.

**Problems encountered:** Stigma associated with mental illness, Doubts regarding confidentiality, Myths regarding mental illness.

**Best practice -2**

**Title:** to inculcate basics of Bioethics among undergraduate students during patient care

**Objectives:**

1. To understand repercussions of ethical dilemmas in patient care

**The Context:** Over two decades medical field has changed enormously. Public approach to look at the profession has changed and cases of professional negligence are rising. Hence there is need to teach importance of Bioethics to the students in patient care.

**Practice:** Various programs are organised by Bioethics wing including AETCOM stated by National Medical Council.

**Evidence of Success:** There is increase number of participation of students in Bioethics related competition. Two students had won the prizes conducted by international chair.

**Problems encountered:** Trained faculty shortage, regular training for faculty members.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution during the year in one area distinctive to its priority and thrust within 100 - 200 words

The Institution is situated in rural area so students are directly exposed to the needs of the rural community. Activities are conducted in the form of field visit by Community Medicine department. To fulfil roles of Indian Medical Graduate, holistic approach is imparted to develop the student's skills and impart quality education by use of innovative methods.

The Institution focuses on imparting vertical and horizontal integration thereby preventing too much of compartmentalization of disciplines. To develop sound mind and healthy body which is the canvas for transforming individuals into a professional with empathy and positive attitude, training programs in the form of yoga, stress and time management has been organized.

The Institution also gives importance to physical education in the form of grooming and encouraging potential talents in the students in participating various state and national forums. Institution has taken initiatives like no smoking campus, restriction of automobile entries in the campus, use of cycles as a part of green initiatives and promotion of tree plantation to promote environment sustainability measures.

Any other relevant information	<a href="#">View File</a>

8.1.2 - Students are exposed to quality of care and patient safety procedures including infection prevention and control practices as practiced by the teaching hospital in didactic and practical sessions during their clinical postings.

The Institution provides infrastructure and facilities to train UG students in all the elements of quality care from the day of joining in phase wise manner.

First year: Handwashing techniques, first aid procedures.

Second year: Infection control practices, biomedical waste management, ADR reporting.

Third year: Immunization procedures, universal immunization, prevention and management of needle stick injury.

Final year: infection control, healthcare associated infections.

CRR: Major hospital acquired infection like-Blood stream infection, catheter induced urinary tract infection, surgical site infection, central line catheter infection, ventilator associated pneumonia, Operation theatre fumigation, prevention of infection, antibiotic policy, prevention of medication errors.

Infection control Quality is a key component of health care delivery system to provide qualitative medical care. Microbiologist has key role in prevention of infection control practices by implementing

infection control practices. Hospital Infection Control Committee arranges regular training sessions, special programs, CME, orientation program for undergraduate and postgraduate students. The hospital is NABH (pre-entry level) and NABL accredited and follows the regulatory norms. NABH quality manager arranges training sessions for paramedical staff and students on infection control practices and does regular auditing to reduce infection rate.

Every year fire safety drill is organized by the institution, where students and staff participate.

8.1.4 - The Institution has introduced objective methods to measure and certify attainment of specific clinical competencies by MBBS students/interns as stated in the undergraduate curriculum by the Medical Council of India

The Institute follows CBME syllabus recommended by National Medical Council and prepare full year time table in advance for all phases of MBBS where competencies and learning objectives are matched against the teaching-learning methods and assessment methods.

For assessing the attainment of competencies, various methods are used by the Institution.

To assess knowledge attribute- For assessing a higher level of knowledge, problem-based analysis, written and viva voce methods are used.

For assessing skill attribute- demonstrations, performing the procedure on manikins or patients under supervision is done. Apart from that OSCE/OSPE methods are done to assess the knowledge and skill attributes of the students. This type of assessment is provided during formative and summative assessment. For every year, certain skills will be certified at the end of the course. Students who could not complete task in first attempt are given repeat chance to achieve desired level of the skill in given competency.

During observation of National programs students are encouraged to take part in skits, demonstrations, health education, and poster competition. During the AETCOM sessions, students are encouraged to understand importance of empathy and altruism.

8.1.5 - Instructional sessions for students introduced by the College on the Medical, Legal, Ethical and Social Issues involved in organ transplantation. Give a description of the instructional sessions for students introduced by the College on the Medical, Legal, Ethical and Social Issues involved in organ

transplantation.

Instructional sessions on medical, legal, social and ethical issues involved in organ transplantation are being taught through various activities such as didactic lectures, group discussions, seminars, CME's and Rally.

Human Organ Transplant (Amendment) Act 2011 is taught through guest lectures, small group sessions.

The various programs cover following issues about organ donation

Medical issues: Selection of the donor, crossmatching and post-transplant drug therapy.

Legal issues: SOP and guidelines as per the Transplantation of human organs act.

Ethical issues: informed consent, equality in organ transplantation, exploitation of poor families. Social issues: increasing awareness for organ donation and removal of misconception.

Department of Medicine discusses about medical and legal issues of liver transplantation for final year MBBS through lectures and small group discussions. Eye donation awareness program highlighting mainly on medical issues in eye transplantation is organized by Ophthalmology department. In AETCOM module, legal and ethical issues concerning organ donation is taught by Forensic Medicine Department.

In CBME curriculum, organ transplantation is covered in the AETCOM module and is taught by Forensic Medicine.

File Description	Documents

8.1.6 - Students are exposed to the organization and operational features of the Immunization Clinic functioning in the hospital as per WHO guidelines for childhood immunization. Describe the

functioning of the Immunization Clinic in the Institution as per the quality specifications stated in WHO guidelines and the steps taken to provide students with information on its relevance and operational features within 100-200 words.

As per the National and WHO guidelines, Institutional immunization activities are undertaken for children every Wednesday.

Students posted in the Paediatric department as a part of rotational posting will be observing the activities like checking the expiry date, vaccine vial monitor, adjuvants, drawing vaccine from the vial, preparing the site of administration, route of administration, position of needle, instructions to parents before and after vaccination. They are also trained about documentation of vaccination, like maintenance of register, temperature maintenance register, dropout register etc.

Apart from the above, CRRRI posted in the department of Paediatrics and peripheral Health centre are trained in the maintenance of cold chain and to administer vaccine to children under the supervision of the staff nurse.

Immunization activities are carried out in the Rural Health and Training Centre under the supervision of Lady Medical Officer and Paediatrician.

File Description	Documents

8.1.7 - The College has adopted methods to define and implement Medical graduate attributes with a system of evaluation of attainment of the same. Describe the Medical graduate attributes developed by the College and the steps taken to implement and assess the attainment of the same (100-200 words).

Karpaga Vinayaga Institute of Medical Sciences and Research

Centre has adopted methods to define and implement Indian Medical Graduate stated by National Medical Council (NMC).

The institution has accepted and implemented the teaching learning methods such as AETCOM Modules, Skill training, Family adoption, small group teaching, self-directed learning, experiential learning etc stated by NMC to evaluate attainment of the level of all components of Indian Medical Graduate.

All phases of UG students carries assessment book where faculty or facilitator assess students using Likert scale for attainment of level. Constructive feedback is given to the students after internal assessments.

To further strengthen attainment of IMG attributes; following teaching-learning methods strategies are adopted by the institute

1. Family adoption program
2. Student exchange program where students get opportunity to learn new techniques in other hospital
3. Special sessions on bioethics other than AETCOM sessions.

File Description	Documents

8.1.8 - Activities of the Medical Education Unit of the College in conducting a range of Faculty Development Programmes in emerging trends in Medical Educational Technology. Describe the Faculty Development Programmes organized by the MEU of the College in the areas of emerging trends in Medical Educational Technology during the year.

Medical education unit of the institution plays indispensable role in boosting the teaching proficiency of the faculties. Every year the institution conducts a wide range of programs starting from Microteaching, Revised Basic course workshop, Curriculum Implementation and Support program and Research Methodology workshop.

Following activities organized by MEU for the year 22-23.

SL Number

Name of the Program

Date

Total number of participants

1

3T IBHSc Bioethics workshop

1.12.22 to 3.12.22

37

2

8.1.11 - Steps/procedures adopted by the College to expose students to contemporary medico-legal practices and third-party payers/insurance mechanisms, indemnity insurance protection etc. relevant to the clinician/provider as well as the patient/recipient.

Karpaga Vinayaga Institute of Medical Sciences and Research Centre exposes the students to the medico-legal aspects from the day of orientation. Knowledge about contemporary medicolegal practices is instilled into final MBBS and CRRI's with wide orientation on topics such as rights of the patient, informed consent, principles of ethics in medicine and professional negligence through clinical postings and didactic classes.

During the internship, importance of issuing of true medical certificates is highlighted during the orientation course and casualty postings. Guest lectures are organized by department of Forensic Medicine on informed consent and ethical and legal issues in medical practice. Students are also updated about the necessity of indemnity insurance, formal procedures and benefits of the insurance through class room teaching and clinical case discussion.

**Third party Insurance Mechanism:** this is linkage between healthcare provider, patient and insurance company. The patient has to pay minimal amount for the insurance company which provides free of cost treatment to the patient in hospitals which are in company's list. The institute has purchased third party professional liability insurance that covers medication errors and negligence that occurs unknowingly during patient care.
