

Reports on Skill Lab workshop in 2023

INDIAN RESUSCITATION COUNCIL FEDERATION (IRCF), Basic cardiopulmonary life support (BCLS), Comprehensive cardiopulmonary life support (CCLS) workshop

Workshop 1

Date: 06.01.2023

Venue: Skill lab

Total No. of Participants: 16

Total No. of Resource persons: 5

Organized by: Skill lab Team, KIMS & RC

The program commenced with Welcome speech by Dr. Deepa S Gautham. First session started with topic Chest Compression lecture and demonstration by Dr. Mu. Raajaram. BCLS Core links & Algorithm was taken by Dr. Prakash babu followed by session on COLS by Dr. Deepa S Gautham.

Dr. G. Uma gave a lecture on Airway and breathing. AED topic was covered by Dr. Lavanya. CPR in special situation topic was taken by Dr. G. Uma. Then Hands on training was covered by all Instructors.

CRRI doing Hands on practice

Workshop 2

Date: 12.01.2023

Venue: KIMS Skill lab

Total No. of Participants: 24

Total No. of Resource persons: 8

Organized by: Skill lab Team, KIMS & RC

The program commenced with Welcome speech by Dr. Deepa S Gautham. First session started with topic Chest Compression lecture and demonstration by Dr. Mu. Raajaram. BCLS Core links & Algorithm was taken by Dr. Prakash babu and Dr. Deepa S Gautham discussed about the COLS. Dr. G. Uma given lecture about Airway and breathing. AED topic was covered by Dr. Lavanya and CPR in special situation topic was taken by Dr. G. Uma, then Hands on Practice covered by all Instructors.

Hands on practice by CRRIs

Workshop 3

Date: 04.03.2023

Venue: CME hall

Total No. of Participants: 75

Total No. of Resource person: 8

Organized by: Skill lab Team, KIMS & RC

The program commenced with Welcome speech by Dr. Deepa S Gautham. First session started with topic Chest Compression lecture and demonstration by Dr. Mu. Raajaram. BCLS Core links & Algorithm was taken by Dr. Prakash babu and Dr. Deepa S Gautham discussed about the COLS. Dr. G. Uma delivered lecture on Airway and breathing. AED topic was covered by Dr. Lavanya. CPR in special situation topic was taken by Dr. G. Uma.

Hands on session taken by all instructors. Feedback was taken and participants were evaluated by pre and post-test.

Hands on practice by staff Nurses

Workshop 4

Date: 07.03.2023

Venue: CME hall

Total No. of Participants: 35

Total No. of Resource persons: 8

Organized by: Skill lab Team, KIMS & RC

The program commenced with Welcome speech by Dr. G. Uma. Morning session started with topic on Chest Compression by Dr. Mu. Raajaram followed by BCLS Core links & Algorithm was by Dr. Prakash babu. Dr. Deepa S Gautham discussed about the COLS and Dr. G. Uma delivered a lecture on Airway and breathing.

AED topic was covered by SN. Ameena bee and CPR in special situation topic was taken by SN. Jayapradha. The participants are allowed to practice in teams in Hands on session under the guidance of Instructors. Workshop feedback was collected from the participants.

Hands on practice

Workshop 5

Date: 18.03.2023

Venue: CME hall

Total No. of Participants: 31

Total No. of Resource persons: 8

Organized by: Skill lab Team, KIMS & RC

Objectives: to train paramedical staff and technicians about basic life support

The program commenced with welcome speech by Dr. MU. Raajaram. The workshop started with topic on Chest Compression lecture and demonstration by Dr. Mu. Raajaram. Basic Cardiopulmonary Life Support Core links & Algorithm was delivered by Dr. Prakash babu. Dr. Deepa S Gautham discussed about the Compression only life support followed by Dr. G. Uma -lecture about Airway and breathing.

AED topic was covered by Dr. Prakash babu, CPR in special situation topic was taken by Dr. Kalaimani. Every session was followed by hands on training taken by all the instructors. Participants passed successfully in post test exam were awarded certificates. Feedback was obtained from the participants.

Hands on Practice for Technician

Workshop 5

Date: 31.03.2023&01.04.2023

Venue: CME hall

Total No. of Participants: 54

Total No. of Resource persons: 8

Organized by: Skill lab Team, KIMS & RC

Objectives: to train CRMI about basic life support

Event report

The program commenced with welcome speech by Dr. MU. Raajaram. First session started with topic Chest Compression lecture and demonstration given by Dr. Mu. Raajaram followed BCLS Core links & Algorithm by Dr. Prakash babu. Dr. Deepa S Gautham took a session on COLS & Dr. G. Uma gave a lecture on Airway and breathing. Automated External Defibrillator topic was covered by Dr. Prakash babu. CPR in special situation topic was taken by Dr. Kalaimani followed by hands on session.

All the participants actively participated in hands on session. Feedback on workshop was obtained and post-test was conducted for program evaluation.

Hands on practice

Workshop 6

Date: 15th to 23 May 2023

Venue: Lecture Hall Complex

Total No. of Participants: 106

Total No. of Resource persons: 8

Organized by: Skill lab Team, KIMS & RC

Event report

The program commenced with Welcome speech by Dr. MU. Raajaram. The topics covered in the workshop for CRRIs 2018 batch are BCLS, CCLS, IV LINE, ORTHODRAPING & HANDWASHING. First session started with topic Chest Compression lecture and demonstration given by Dr. Mu. Raajaram followed by BCLS Core links & Algorithm by Dr. Prakash babu. Dr. Deepa S Gautham discussed about the COLS & Dr. G. Uma gave a lecture on Airway and breathing. AED topic was covered by Dr. Prakash babu followed by CPR in special situation by Dr. Kalaimani.

Demonstration of hands on IV line done by Dr Mu Raajaram, Ortho draping by Dr Aravind and Handwashing by Dr Deepa Gautham.

Demonstration by Dr. Uma for CRRIs (2018 batch)

Workshop 7

Date: 06.06.2023

Venue: Lecture Hall Complex

Total No. of Participants: 42

Total No. of Resource persons: 5

Organized by: Skill lab Team, KIMS & RC

Event report

The program commenced with Welcome speech by Dr. MU. Raajaram. First session started with topic Chest Compression lecture and demonstration by Dr. Mu. Raajaram followed by session on Basic Cardiopulmonary Life Support Core links & Algorithm by Dr. Prakash babu. Dr. Deepa S Gautham discussed about the Compression only life support and Dr. G. Uma given lecture about Airway and breathing. Automated External Defibrillator topic was taken by Dr. Prakash babu followed by CPR in special situation topic by Dr. Mohana Karthikeyan.

All the participants actively participated in hands on session. Feedback on workshop was obtained and post-test was conducted for program evaluation.

Lecture by Dr. Mu. Raajaram

Workshop 8

Date: 10.06.2023

Venue: Lecture Hall, Chengalpattu Med. College

Total No. of Participants: 45

Total No. of Resource persons: 5

Organized by: Skill lab Team, KIMS & RC

Targeted participants: CRRI, CHENGALPATTU MEDICAL COLLEGE

Event report

BCLS workshop was organized at CHENGALPATTU MEDICAL COLLEGE. The program commenced with Welcome speech by Dr. MU. Raajaram. First session started with topic Chest Compression lecture and demonstration given by Dr. Mu. Raajaram. Basic Cardiopulmonary Life Support Core links & Algorithm Core links & Algorithm was taken by Dr. Kumaresh. Dr. Deepa S Gautham discussed about the Compression only life support & Dr. G. Uma gave a talk on Airway and breathing.

Automated External Defibrillator (AED) topic was covered by Dr. Arshiya followed by Cardio-Pulmonary Resuscitation in special situations by Dr. G. Uma. Hands on session taken by all resource persons. Participants enjoyed the hands-on session most. Pre and post-test were conducted. Successful candidates received the certificates.

HANDS ON PRACTICE

Workshop 9

Date: 16.06.2023,03.07.2023 & 07.07.2023

Venue: KIMS SKILL LAB

Total No. of Participants: 45

Total No. of Resource persons: 5

Organized by: Skill lab Team, KIMS & RC

Targeted participants: Postgraduates of Karpaga Vinayaga Inst. Of Dental Sciences,

Event report

The program commenced with welcome speech by Dr. MU. Raajaram. First session started with topic on-Chest Compression lecture and demonstration by Dr. Mu. Raajaram. Basic Cardiopulmonary Life Support: Core links & Algorithm was taken by Dr. Kumaresh followed by topic on Compression Only Life Support by Dr. Deepa S Gautham. Dr. G. Uma delivered a lecture on Airway and breathing. Automated External Defibrillator (AED) topic was covered by Dr. Priyadharshini followed by CPR in special situations by Dr. Ramprasath.

Hands on Practice covered by all Instructors. At the end of the workshop pre and post-test was conducted.

Hands on practice for Dental PGs

Workshop 10

Date: 09.09.2023

Venue: KIMS SKILL LAB

Total No. of Participants: 16

Total No. of Resource persons: 5

Organized by: Skill lab Team, KIMS & RC

Targeted participants: CRRI, Karpaga Vinayaga Inst. Of Medical Sciences & Research Centre

Objective: to acquire knowledge and develop psychomotor skills needed to apply in patients with cardiac arrest in order save his life.

Event report

Skill Lab, Karpaga Vinayaga Inst. Of Medical Sciences & Research Centre organized Basic Cardiopulmonary life support workshop on 9th Sept 2023. Prior to the workshop participants were provided booklet containing standard guidelines that highlighted clinical approach, interventions to provide immediate care in case of life-threatening emergencies such as cardiac arrest, cardiac arrhythmias etc.

The program commenced with welcome speech by Skill lab in-charge-Dr. MU. Raajaram. Morning session started with session on Chest compression by Dr. MU. Raajaram. Basic Cardiopulmonary Life Support: Core links & Algorithm was taken by Dr. Kumaresh followed by topic on Compression Only Life Support by Dr. Deepa S Gautham. Dr. G. Uma delivered a lecture on Airway and breathing. Automated External Defibrillator (AED) topic was covered by Dr. MU. Raajaram followed by CPR in special situations by Dr. Deepa. Participants were actively involved in all the sessions and grasped more skills during hands on training session.

Participants were evaluated using pre and post-test MCQs. Certificates were awarded to all the participants who successfully completed the course.

Session on Airway & breathing

Hands on practice

Workshop 11

Date: 26.09.2023

Venue: KIMS SKILL LAB

Total No. of Participants: 32

Total No. of Resource persons: 5

Organized by: Skill lab Team, KIMS & RC

Targeted participants: Staff nurses, BSc. OT & AT Interns, Karpaga Vinayaga Inst. Of Medical Sciences & Research Centre

Objective: to acquire knowledge and develop psychomotor skills needed to apply in patients with cardiac arrest in order save his life.

Event report

Skill Lab, Karpaga Vinayaga Inst. Of Medical Sciences & Research Centre organized Basic Cardiopulmonary life support workshop on 26th Sept 2023. Prior to the workshop participants were provided booklet containing standard guidelines that highlighted clinical approach, interventions to provide immediate care in case of life-threatening emergencies such as cardiac arrest, cardiac arrhythmias etc.

The program commenced with welcome speech by Skill lab in-charge-Dr. MU. Raajaram. Morning session started with session on Chest compression by Dr. MU. Raajaram.
