**Date of event:** 17.07.23 & 18.7.23

**Venue:** CME hall, KIMS & RC

**Number of participants:** 189

**Organized by:** Alumni association, KIMS & RC

**Resource Person:** Dr. Mukesh Bhatia, Founder, Dr Bhatia Medical Coaching Institute

**Event report:**

Karpaga Vinayaga Institute of Medical Sciences and Research Centre, is very much keen about the student's career and takes initiative to nurture the students for securing their future in today's competitive world.

In response to implementation of NEXT exam for final year students, Institute organized two-day workshop on NEXT and career counselling. The Alumni Association of KIMS & RC, called senior faculty and founder of Dr Bhatia Medical Coaching Institute for 2 days workshop session that includes Hepatology integration, Hematopoietic system and question answer session about pattern of NEXT exam.

The program initiated with brief welcome address by Principal Dr. Sufala Sunil Vishwasrao and introduction of Guest Speaker Dr Mukesh Bhatia.

First day session was on Hepatology integration where Dr Mukesh Bhatiya taught the students about Liver disorders and its integration with Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Emergency Medicine, Ophthalmology.

Second day session was on Arterial Blood Gas and types of Anemia. Last hour was specially about "How to be successful in competitive exams?" All the student were active and enthusiastic from beginning to the end. The program ended with feedback and vote of thanks.

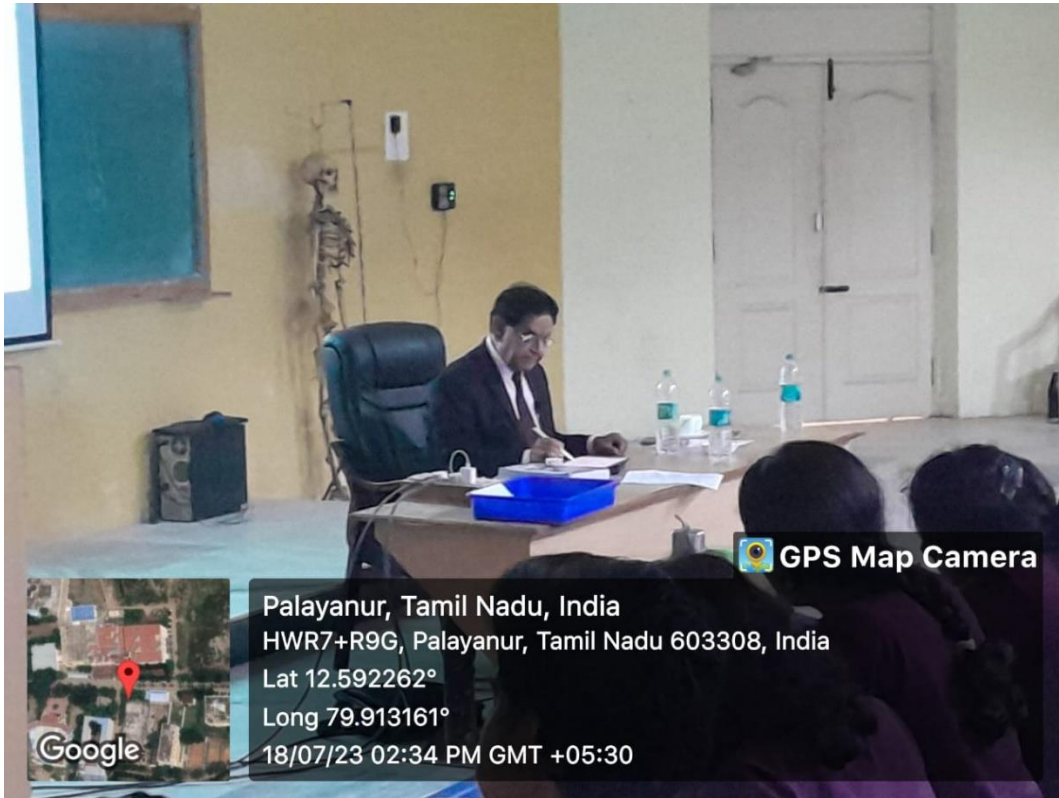

## Principal Dr Sufala Sunil Vishwasrao, introducing Guest Speaker Dr Mukesh Bhatia
